Business Highlight: Demiya Restaurant

We are proud to highlight our local Restaurant, **Demiya** as one of our local **recycling and composting champions** in our community. The Demiya team have worked hard to reduce what they send to the landfill by:

- Using reusable utensils, plates, and bowls.
- Providing customers with a bus station to return their dirty items.
- Collecting food waste separately in the back of the house to assure a clean organics stream, collection efficiency and cost savings.

If you're looking for a sustainable dining option, check out Demiya Restaurant today.

Illegal Dumping Awareness

When household items are disposed of in an inappropriate manner, they run the risk of leaking hazardous materials, contaminating our air, water and local food systems and negatively affecting the public's health. In our community we have the following resources available to help with illegal dumping and encourage proper disposal of your waste.

- **Schedule a Free bulky item pickup:** This free resources offers Dublin residents with options to schedule free junk removal.
- **Volunteer with a local clean up group:** Dublin has an annual Creek Clean Up Day www.dublin.ca.gov/2621/Get-Involved.
- **To report Illegal Dumping:** to report illegal dumping visit dublin.ca.gov, click on the 'report an issue' box and use the 'Fix It' app.

Bulky Item Guide

AVI offers three free collections per year to collect items which do not belong in the garbage, recycling, or organics carts.

These are limited to seven cubic yards, and small items must be bagged or boxed. To schedule a Bulky Pickup call (925)479-9545 or email: info@amadorvalleyindustries.com.

ACCEPTABLE ITEMS

- **Furniture, Carpets, & Mattresses.**
- **Tires:** up to four (4) car tires (without rims).
- **White Goods:** refrigerators, freezers (doors must be removed), water heaters or other similar household appliances.
- **Brown Goods:** electronic equipment such as stereos, VCR's, personal digital assistants (PDAs), telephones, and other similar items.
- **E-Waste:** electronic equipment such as cell phones, computers, monitors, televisions, and other items containing cathode ray tubes (CRTs).

LIMITATIONS AND EXCLUSIONS

- Containers set on the curb will not be returned.
- Do not use your garbage, recycling, or organics carts.
- No dirt, rock, concrete, or hazardous materials.
- No items over 75 lbs., except furniture and appliances.

Free Resources: Metal Signage Available

AVI offers metal signs to help multifamilies properly label outdoor enclosures.

Please contact AVI to today to learn about all free resources available at info@amadorvalleyindustries.com

The Importance of Your Organics Cart

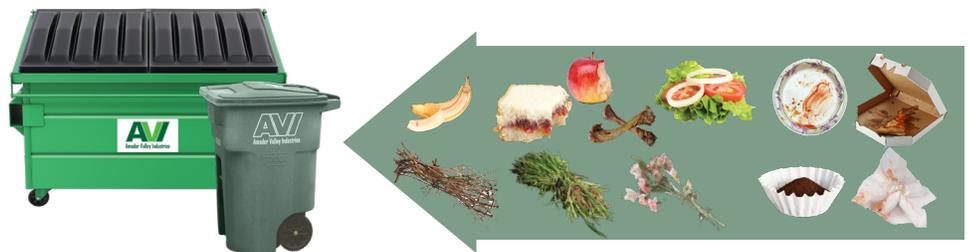

Separating out organics helps reduce the amount of organic waste that ends up in landfills, which can help:

- Reduce greenhouse gas emissions
- Extend landfill capacity
- Improve soil quality
- Prevent water and soil contamination

Make sure your family knows what goes into the organics cart.

Acceptable: Food scraps, food-soiled paper, grass/weed clippings, shrub/tree prunings (under 4" diameter), leaves, plants, and flowers.

Not-Acceptable: Household garbage, plastic bags, dirt/rocks, overfilled carts (lid must close).

Hazardous Waste Service

The inappropriate disposal of hazardous waste, is a persistent issue that negatively impacts humans, the surrounding environment, and the wildlife that live in the area. Hazardous waste refers to the following categories.

- **Paint:** Stain, shellac, solvents, thinners, additives, oil paint, latex paint.
- **Adhesives:** Putty, caulk, epoxy, mortar, stucco, cement, wood glue.
- **Auto:** Fuel, waxes, batteries, additives, motor oil, oil filters, antifreeze.
- **Garden:** Sprays, fertilizers, ant traps, pesticides, herbicides, rat poison, gopher bait.
- **Miscellaneous:** Propane, pool chemicals, photo chemicals, acids/caustics, household batteries, bleach, cleaners, fluorescent bulbs.

Alameda County offers a free service for residential landlords to drop off their tenant's hazardous waste. Property managers and owners can learn more about how to dispose of HHW generated at their site at, StopWaste.org/at-home/household-hazardous-waste/residential-landlord-hazardous-waste-service.
