

2026 Holiday Service Schedule

No collection services or office hours on the following holidays:

Thursday, November 26 - Thanksgiving Day

Friday, December 25 - Christmas Day

Friday, January 1 - New Year's Day

Plan ahead to ensure uninterrupted service during the holiday season.

If your regular pickup day falls on or after the holiday, service will be delayed by one day, with Friday service taking place on Saturday.

Watch Out for Hazardous Items

Never place hazardous materials in garbage, recycling, or compost containers. Improper disposal can harm people, pets, wildlife, and the environment.

Scan for
hazardous waste
disposal resources.

Businesses with small quantities of hazardous or universal waste can use Alameda County's disposal programs.

stopwaste.org/business-hazardous-waste

Containers containing hazardous materials will not be collected until the materials are removed.

Keep These Hazardous Items Out of Your Collection Containers

Batteries

Paint

Chemicals

Fluorescent Lamps

Holiday Organics & Food Donation

Reduce holiday waste by composting organics and donating edible food whenever possible.

Compost Holiday Organics

Keep holiday organics out of the garbage. Food scraps, pumpkins, poinsettias, and natural wreaths belong in your compost cart or bin.

Composting holiday organics helps reduce disposal costs and greenhouse gas emissions.

Donate Edible Food

Donate surplus edible food. Connect with local food recovery organizations to help feed the community instead of sending it to the compost bin.

Find a food recovery organization:
StopWaste.org/FROs

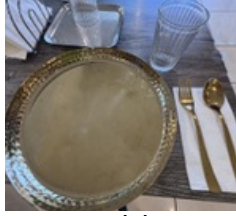

SB 1383 Reminder

Under California's SB 1383, businesses are required to separate food waste and other compostable materials from the garbage. Proper sorting helps reduce greenhouse gas emissions, supports organics recycling, and may help avoid additional collection fees.

- ✓ Separate food waste from garbage.
- ✓ Compost holiday organics.
- ✓ Donate edible food whenever possible.

Local Business Spotlight: Raya – The Essence of South India

RAYA • 7150 Village Pkwy • Dublin

Combining authentic farm-to-table dining with simple, everyday waste reduction practices.

- Reusable plates, bowls, cups, and utensils
- Diverts approximately 4 cubic yards of waste from landfill each week
- Sources fresh fruits and vegetables locally

Reminder for Restaurants

CALIFORNIA LAW AB 827

Customer Sorting Stations

Restaurants serving customers must provide accessible recycling and compost containers alongside garbage containers.

- ✓ Recycling, compost, and garbage containers must all be available.
- ✓ Containers must be clearly labeled.

CALIFORNIA LAW AB 1276

Single-Use Food Ware

California law requires single-use food ware items to be provided only upon request.

- ✓ Single-use food ware must be provided only upon request.
- ✓ Applies to utensils, straws, chopsticks, stirrers, and condiment packets.

CALIFORNIA LAW AB 619

Bring Your Own Containers

California's AB 619 allows customers to bring their own clean reusable containers for takeout and leftovers.

- ✓ Customer participation is optional.
- ✓ Follow safe food handling procedures.
- ✓ Sanitize surfaces between customer containers.

Join the Waste-Free Dining Guide

Restaurants using reusable dine-in dishware can be featured in the City of Dublin's Waste-Free Dining Guide. Scan to view the guide or learn how your restaurant can participate.
