Healthcare Level 2

New Zealand Certificate in
Health and Wellbeing (Level 2)

Qualification Code: 2469

This programme is designed to provide you with the essential knowledge and practical skills you need to gain entry level work in a health or wellbeing-related service.

Students will learn how to care for elderly people in their home or in an age care facility. As well, how to support disabled children and adults to live full lives.

Programme Details

Credits:	40
Programme Length:	13 weeks
Delivery Mode:	Blended
Delivery Method:	In class (tutor facilitated; face to-face) Work placement (employer supervised; tutor observations)
Cost:	Fees free (criteria apply)
Programme Hours:	31 hours per week 9am - 3.15pm Monday-Thursday

Graduate Outcomes

When you successfully complete this programme you will:

- be work-ready
- be able to apply skills and knowledge as a healthcare assistant or support worker
- demonstrate improved reading, writing and numeracy skills
- be able to progress to higher-level study in healthcare

Pathway opportunities

This qualification will give you the opportunity to progress into higher-level study in healthcare.

"I'll help you to be work-ready, and able to apply skills and knowledge as a healthcare assistant or support worker."

Toni Bunner
Tutor

Why the Healthcare, Level 2 programme is a great choice:

- It's an excellent stepping stone to higher qualifications in the health and disability sector.
- Our graduates get preference when enrolling in the UCOL Enrolled Nursing programme.
- Our graduates are in demand by employers in the region.

Entry Requirements

To be eligible to enrol, you must meet the requirements listed below.

- be over the age of 16
- be identified as a domestic student
- provide a birth certificate or passport as evidence of identity
- be a fit and proper person to provide support in the healthsector
- receive a satisfactory police check
- complete a learner profile
