2026 Annual Conference ADDITIONAL OPPORTUNITIES

Empowering Education: Adapting for Tomorrow

Want to do more? You can boost your visibility and connect with attendees through a variety of options. Sponsor the Welcome Reception and greet attendees while having your brand featured throughout the event. Place a Program Ad to showcase your company in the event program, put your logo on Lanyards for maximum exposure, or sponsor a Snack Break to provide refreshments while highlighting your brand during the day.

Welcome Reception

Your company sponsors the conference welcome reception, with your brand featured on signage throughout the event. A company representative may welcome attendees, your logo will be highlighted in event materials, and you may provide marketing items at the check-in table.

\$3,000

Lanyards

Your company provides 400 lanyards to be mailed to OACC by September 1, 2025. Your logo will appear on each lanyard — a perfect way to showcase your brand and stay visible throughout the event.

\$500

Program Ad

Your company receives a full-page, full-color advertisement in both the printed conference program and the digital version. This high-visibility opportunity puts your brand directly in front of all attendees and leaves a lasting impression before, during, and after the event.

\$500

Snack Break

Your company sponsors a snack break for attendees. OACC will provide the refreshments, and your company will be recognized with signage — a great way to connect your brand with a positive attendee experience.

\$500
