

AMBROSE AUSTRALIA

INTERNATIONAL REPATRIATIONS

CORPORATE

Overview

We are an independent, experienced organisation, focused on worldwide assistance across the globe during your time of need, with 24/7 assistance. We will work closely with your travel insurance team and provide daily updates and email documents as they come to hand. We will email you the cause of death for your evaluation of the policy as soon as available.

Repatriation Coordination

We provide updates regularly to all stakeholders involved, including travel insurance companies, employers of deceased, funeral directors, families directly and corporate clients. We deal directly with health departments, police, consulate and embassy staff, border control, embalmers, transport companies and airlines.

Administration – Paperwork

Obtaining all repatriation documents, consular documents, death certificate, health department clearance, embalming certificate, coffin selection, transport requirements, flight details, Apostilles, coffin sealing certificate, Airway Bill, cremation paperwork.

Client contact

We will keep you informed via regular correspondence with updates to consular staff, family, consignee, next of kin and assistance providers. We will make sure that family members on location can fly home on the same repatriation flight.

Mortuary care

Preparation of deceased in accordance with the highest international standards by qualified embalmers for the purpose of viewing for family, including dressing.

Transport

Global freight and local transfers.

Tributes

Coordination of funerals and memorial services at the place of death or destination.
