

TEIUS TERMINAL

UNICOM
GROUP

LOCATION

Completed in 2022, Teius International Intermodal Terminal is located in the Teius-Ondoroaie industrial area of Alba County, one of the leading industrial centers of the Romanian economy.

The terminal is within **80 km** from:

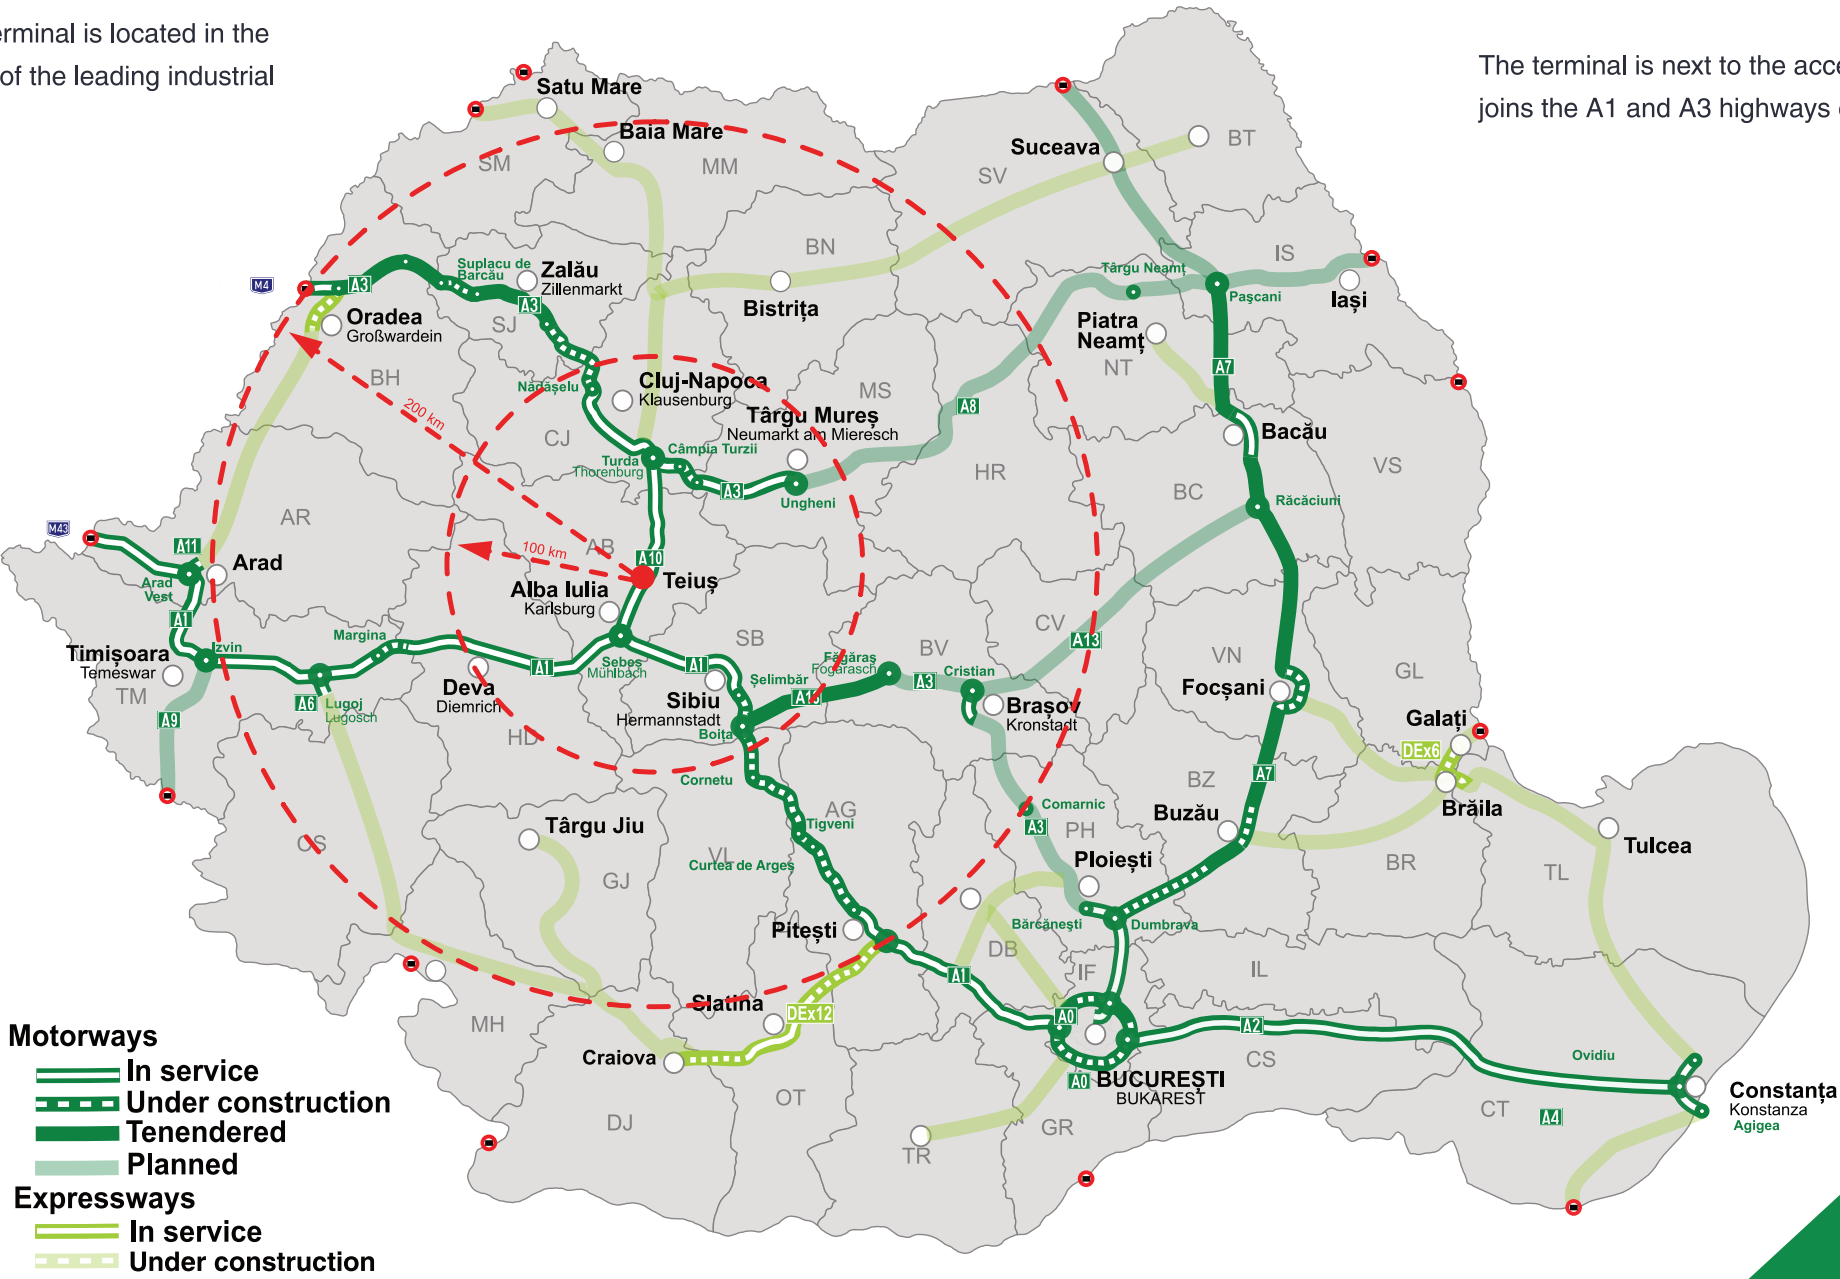

- ▶ **Cluj-Napoca** (700,000 inhabitants),
- ▶ **Sibiu** (400,000 inhabitants),
- ▶ **Alba Iulia** (60,000 inhabitants),

And within **100 km** from:

- ▶ **Hunedoara** (380,000 inhabitants),
- ▶ **Targu Mures** (130,000 inhabitants),
- ▶ **Deva** (55,000 inhabitants),
- ▶ **Sighisoara** (25,000 inhabitants).

ROAD CONNECTION

The terminal is next to the access shoulder on the A10 highway, which joins the A1 and A3 highways connecting the cities of Sebes and Turda.

RAIL CONNECTION

The terminal is connected by an industrial railway line to the **CFR Coslariu station**, a railway junction located on the **IV Pan-European Corridor** (Dresden – Prague – Vienna – Bratislava – Budapest – Arad – Bucharest – Constanta), the main line that connects the port of **Constanta** with Central Europe via the **Curtici/Lokoshaza** border.

SERVICES PROVIDED

- ▶ Loading, unloading, and storage of containers, semi-trailers, and general cargo that may be operated outdoors;
- ▶ Related services, including:
 - ▶ First-mile / last-mile truck transport of containers and semi-trailers from the terminal to the point of loading/unloading and return;
 - ▶ Unloading/loading goods into/from containers ("stuffing") within the terminal;
 - ▶ Carrying out customs formalities;
 - ▶ Cleaning containers.

INFRASTRUCTURE

- ▶ **Land area:** 34,831 m² (including part of the access road);
- ▶ **Utilities:** electricity, water (own well), sewage (own treatment plant), gas;
- ▶ **Concrete platform** for operation and storage of containers/semi-trailers: 13,093m² (layers: 45 cm ballast, 40 cm crushed stone, and 35 cm road concrete);
- ▶ **Industrial railway lines:** 1,437 m built length; 2 lines x 650 m useful length;
- ▶ Reachstacker **Konecranes SMV 4542 TB5**;
- ▶ Reachstacker **Hyster RS46-33IH** with piggyback;
- ▶ Reachstacker **Terex TCF45** with piggyback;
- ▶ Tractor **Terberg RT26**;
- ▶ Terminal **lighting system**;
- ▶ Terminal **video surveillance** system;
- ▶ **Access control** system with barriers;
- ▶ Terminal **fencing**;
- ▶ **Guard cabin**;
- ▶ **Driveway and pedestrian walkways**;
- ▶ **Modular administrative body** consisting of 9 x 20' containers that includes office spaces, hall meetings, dressing room, bedroom, storeroom, WC, showers, air conditioning system, and electric heating plant.
