health and emotional stability**

And if you gaze long
into an abyss, the
abyss gazes also
into you.

- Friedrich Nietzsche

COGNITIVE DISSONANCE

THIS IS WHY PEOPLE GET UPSET WHEN
THEIR BELIEFS ARE CHALLENGED

A MENTAL CONFLICT OCCURS WHEN BELIEFS ARE CONTRADICTED BY NEW INFORMATION. THIS CONFLICT ACTIVATES AREAS OF THE BRAIN INVOLVED IN PERSONAL IDENTITY AND EMOTIONAL RESPONSE TO THREATS. THE BRAIN'S ALARMS GO OFF WHEN A PERSON FEELS THREATENED ON A DEEPLY PERSONAL AND EMOTIONAL LEVEL CAUSING THEM TO SHUT DOWN AND DISREGARD ANY RATIONAL EVIDENCE THAT CONTRADICTS WHAT THEY PREVIOUSLY REGARDED AS 'TRUTH'

Sauvons
la nature !

La nature,
ça n'existe pas.
C'est un concept
anthropocentriste.

Et le capitalisme,
Ca existe ?

Hi guys !

What we call reality is
in fact nothing more
than a culturally
sanctioned and
linguistically reinforced
hallucination

Spiritual
Awakening

***confused
screaming***

**I am upset with
all the bad things
going on in the
world around me**

**Complaining won't do.
The problems we face
as a society require
serious political and
economic reform**

**Reform is not enough;
it can't solve problems
intrinsic to the system.
We must organize and
bring about a mass
revolution to overthrow
the old society
and build a better one.**

**Revolution and reform
are two sides of the
same utopian coin.
There is no political
program that can save
us from the current
crisis; we must prepare
for inevitable collapse**

**Awaiting "the Collapse"
as if it were a singular
event, the final end point
of history, is merely a
crude inversion of utopia.
It's an immense drawn-out
process each one of us is
already experiencing
diffracting across every
moment of being; yet
none will never live to see
the totality of its fruition**

***Confused
screaming***

Shit you know

Shit you know
you don't know

Shit you don't know
you don't know
