Grays Harbor Community Foundation

SCHOLARSHIP PROGRAM

DIRECTOR'S NOTE

Grays Harbor is special because of the people that are invested in the success of our community. We have donors that haven't lived on the Harbor for decades, but still consider it their home. We have families that come together each year to give in honor of their mothers, children, grandparents, all because Grays Harbor was so special to them growing up. We hope that our scholarship recipients know how invested their community is in their future successes and one day, look back at their time spent in Grays Harbor with as much fondness as our donors do.

SCHOLARSHIP AWARDS THROUGH THE YEARS

In 2000, the Grays Harbor Community Foundation launched our scholarship program that awarded 2 scholarships for \$1,000 each to deserving local students. Thanks to our amazing donor support that has grown throughout the years, we awarded 353 wards for over \$1M to local students pursuing their studies both at home and at universities, colleges and vocational programs throughout the country,

DONOR SPOTLIGHTS

Dr. Emmett and Dorothy Calhoun Scholarship

A hometown hero, Dr. Emmett Calhoun was a man with many accolades including an Army and Navy veteran of three wars, a two-time purple heart recipient, a war hero and a retired rear admiral, but probably remembered by most in Grays Harbor as a local leader in the medical profession who went above and beyond for his patients for over 50 years.

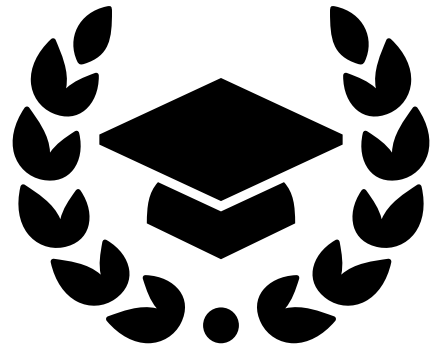

Before his passing over 40 years ago, Dr. Calhoun and his wife Dorothy spent their entire lives serving the residents of Grays Harbor through their community activism. He served as an instructor of surgery at St. Joseph Hospital's School of Nursing, served four terms as the president of the hospital and was Medical Director at the nursing home. His wife Dorothy helped to organize the local medical auxiliary and also served as president of the state auxiliary. She was the organizer and first president of the St. Joseph Hospital Service League. Dr. Calhoun was voted as The Daily World's "Man of the Year" in 1976 and was once quoted by one of his supporters as "the best of the horse and buggy doctor philosophy blended with expertise."

To keep the legacy of Dr. Calhoun and Dorothy's profound impact on Grays Harbor alive, their son Dr. Robert L. Calhoun and his wife Katherine of Seattle have established a scholarship at the Foundation to benefit students from Hoquiam High School. All HHS graduates are eligible for this generous scholarship that is renewable for 3 additional years.

Scott Alan Ferguson Scholarship

Scott Alan Ferguson was born and raised in Lake Mills, Wisconsin, graduated from Lake Mills High School in 1974 and then received a degree in Marketing from the University of Arizona in 1978. Very successful in marketing electronic devices, Mr. Ferguson had always held a keen interest in technological advance and the presence of a strong U.S. manufacturing sector.

In establishing this scholarship for Ocosta students, with a focus on engineering, science, and business, his hope was that he can in some small way give to his new community. Through the students of the future, Mr. Ferguson hoped to help to keep the U.S. at the forefront of technological advance in a highly competitive world.
