One-Way Pallet – Export Model TAR002

Technical Data – General Information

HDPE
(High-density polyethylene)
+ CALCIUM CARBONATE

**Holds up to 25 pallets at
1 m height**

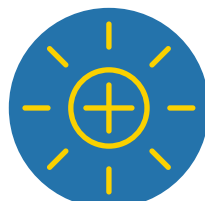

**Static Load
2,000 kg**

**Forklift Access
4-way entry**

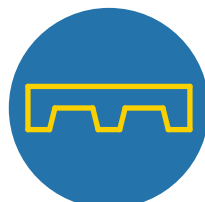

**Dynamic Load
1,600 kg**

**Temperature
Capacity
-15° C**

**Racking Load
1,000 kg
(only with mesh
racking systems)**

**Mold/Type/Weight 7.6 kg
Single-piece molded
No welding
Nestable, non-reversible**

**Dimensions
1200 mm ×
1000 mm ×
140 mm**

**Color Options
Black – Red – Blue –
Green – Natural White**
