One-Way Pallet – Export Model TAR-ESD001

Technical Data – General Information

HDPE

HDPE
(High-density polyethylene)

Antistatic

1.5 TON

Static Load
1.500 kg

Stacking Capacity
Holds up to 25 pallets at
1 m height

1.1 TON

Dynamic Load
1.100 kg

Forklift Access
4-way entry

650 Kg

Racking Load 650 kg
(only with mesh
racking systems)

Temperature
Capacity
- 40°

Dimensions
1200 mm x
1000 mm x
140 mm

Mold/Type/Weight 7.3 kg
Single-piece molded
No welding
Nestable, non-reversible

Color Options
Black – Red – Blue –
Green – Natural White
