Happy New Year!

We are always happy for a new beginning and a fresh start. This new year gives us those opportunities.

Over the next few weeks, we'll give an accounting of God's blessings in 2025, but we'll also look forward to God's leading in the new year.

Here are some things you need to know.

Everything starts back up immediately. Many of you read this electronically. If so, we want to remind you that we have ALL three worship times and ALL our Connect Groups this weekend.

Tuesday Men's Breakfast will start back January 6th.

First Wednesday Fellowship Meal (first Wednesday of each month) is this Wednesday from 5:30-6:30pm in the Fellowship Hall. Register at fbccov.org/events

ALL Wednesday Night Activities and Classes will be back in full force **January 7th**, along with New Equip Classes. Please go to fbccov.org/grow for more information on new and ongoing classes.

I want to ask you to take advantage of 2026 new beginnings by:

Reading Holy Scripture. There are many great reading plans available, but what is most important is connecting each day with God by mediating on His Word and getting more closely connected with church by joining a Connect Group, start attending on Wednesdays, or finding a place to serve.

Praying for the needs of other people. We all need God and we are all blessed when we have people praying for us.

Investing in God's Kingdom by making offerings for God's work around the world.

Seeking first the Kingdom of God and His Righteousness – *Matthew 6:33*

May God bless you as we begin this new year.

Waylon
