Wednesday Night Bible Study starting in February: *"Step by Step Through the Old Testament."*

In 1991, I wrote a book for Broadman/Holman Publishing as a step-by-step guide through the Old Testament.

When I wrote this, I was *Professor of Old Testament and Hebrew* at New Orleans Baptist Theological Seminary. One of my areas of teaching was "Introduction to the Old Testament." In writing *"Step by Step,"* I simply put my Introduction to the Old Testament course in highly condensed form.

Amazingly, I have never taught this at First Baptist Covington.

I want to change that. **Beginning Wednesday, February 4,** I want to take you on a months-long study of the Old Testament. I want to change the "highly condensed form" as well, by going in depth.

We will look at history, archaeology, geography, and theology, among other subjects. I will also give an introduction to each Old Testament book.

I hope you will join me in this study. I think you will find it a helpful *NEXT STEP* in your study of Scripture.
