

Lagniappe

August 2026 has been the best month in our church's history!

So far this month, we have set a record high attendance for worship (2968) excluding Christmas and Easter and for Connect Groups (2206) this past Sunday.

We are immensely grateful for your hard work and tireless effort to reach out to your family and friends with the good news of the gospel.

I've come to the conclusion that most people would like to get to know God better. They seem to want true worship and true religious faith. They want to know who God really is, and they want to know God's purpose for their life.

The problem most people have is finding the truth about God. That's where you and I come in. By inviting people we know and love, we can help them get the message of God.

I've often said that age 9 is the most religious part of your life. Children that age want to know about heaven and hell, about God and Satan, and about God's plan for their lives. As we invite others to worship and Bible study, we get the chance to help people know God.

If you are already in a Connect group and faithfully attending, please invite family and friends to join you for a time of Bible study and worship.

If you are new, please go to our Connection Center Help Desk or to the Hospitality Room after service and let us help you get started in the next step for your life.

Also, attending our Discovery Class on September 27 at 5:00PM could be a life-changing experience for you. Please join with us as we learn about First Baptist Covington and about faith in Christ.
