

Lagniappe

Each year our local association of churches along with Louisiana Baptists and the Southern Baptist Convention asks us to give a report about our church.

It's a good exercise to carry out because it makes us look at our church all across our ministries and programs.

We all know that our individual lives and our churches are greater than a record of numbers and events. We also know that keeping these records help hold ourselves accountable.

Here are some important numbers that we will report.

2649	Our average worship attendance <i>(With a record excluding Christmas & Easter of 3031)</i>
1808	Our average in Connect Groups <i>(With a record 2206 on 8/16/2026)</i>
424	Our number of baptisms for the last three years
\$8,976,300	Church budget for 2026

These four categories help us examine the health and vitality of our church.

Our Mission: *We exist to help people know and accept Jesus Christ, and through Him experience life-changing relationships.*
