

eflow

slow life, slow beauty

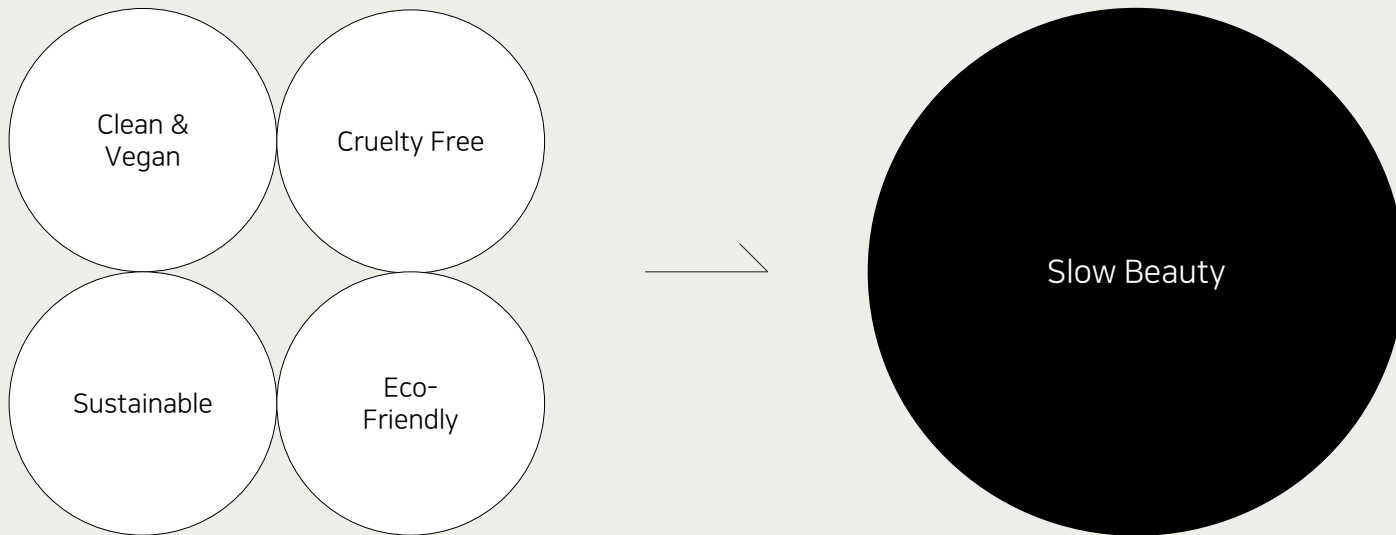

efilow

efil ("life" backwards) + **ow** (taken from "slow")

Our brand name 'efilow' contains the meaning of 'Slow Life' & 'Slow Aging', which are the values we pursue.

Brand Concept

With clean & vegan ingredients selected by strict standards, efilow chooses a safer and better path.
Even if it is a little slow, we and earth can stay healthy for a long time.

Core Values

efilow believes that the secret of achieving true beauty lies in slow beauty, which it strives to infuse into all of its products.

Pure
Ingredients

With the belief that good ingredients come only from unpolluted, clean nature, we use proven vegetarian ingredients harvested from the Mother Nature.

Proven
Effectiveness

It should not be low in efficacy because it is a hypoallergenic product, so we only add proven ingredients and prove its efficacy clinically.

Sustainable
Package

We use eco-friendly packaging because we believe sustainable environment starts with trivial things.

01. Pure Ingredients

With the belief that good ingredients come only from unpolluted and clean nature, we use proven vegetarian ingredients harvested from the Mother Nature.

Bakuchiol

Hypoallergenic plant-based Retinol found in nature, extracted from 'Bogolji' seeds used in Ayurveda Medicine, India

- ✓ Takes care of pores and wrinkles
- ✓ Much safer than Retinol

Chaga Mushroom

Chaga Mushroom is born while a birch tree fights against a virus that penetrates it from the outside, then grows by absorbing the nutrients of the tree that survives the extreme cold.

- ✓ Containing Beta-glucan for skin elasticity and moisturization
- ✓ Tightens pore effectively and provide nutrition

Himalayan Heartleaf

Grown in the pure nature of the Himalayas at an altitude of 2970m above sea level, it soothes the skin tired from the external environment and replenishes moisture to the skin.

- ✓ For troubled skin
- ✓ Solving skin concerns on sensitive skin

Jericho Rose

Jericho Rose boasts amazing vitality, even amidst dry deserts and blazing sunlight. It dries up during the drought period but blooms as a green plant upon absorbing just a few drops of rain.

- ✓ Excellent water retention ability
- ✓ Activating aquaporin(a skin hydration channel)

02. Proven Effectiveness

It should not be low in efficacy because it is a hypoallergenic product, so we only add proven ingredients and prove its efficacy clinically.
