

Actual Reviews

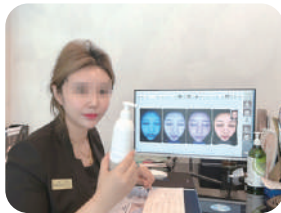

From Current Skincare Professionals

★★★★★

20-year Skincare Specialist | Clinic Director

When cleansing makeup for customers, they were so surprised by **how quickly and smoothly** it worked that they asked me what product it was!

★★★★★

13-year Skincare Specialist | Clinic Director

I've used cleansing milks for over 10 years on my post-surgery patients, but it's the first time I've ever felt such **freshness and smoothness without any tightness afterward!**

★★★★★

15-year Skincare Specialist | Clinic Director

I've recommended many cosmetics to customers at professional skincare clinics, but when I **recommended this cleansing milk** that cleanses softly without irritation, the **customer satisfaction was sky-high!**^^

THEYEObaek26

We focus on simplicity rather than overloading the skin, creating healthy and happy skin.
