CLASSIFICATION	PRODUCT NAME	CAPACITY	CONSUMER PRICE (\$)	PRODUCT DESCRIPTION	CODE
CLANSER	 Perfect Lip & Eye Make-up Remover	200ml / 500ml	26 / 74	A makeup remover that quickly and easily removes waterproof and long-lasting makeup.	R2M0 R3M7
	 Vitamin Soft Milk Cleanser	200ml / 1000ml	42 / 124	A moisturizing and soothing cleanser with a soft, high-viscosity milk formula for dry and sensitive skin.	M2C4 M3C6
	 Gentle Water Cleansing Oil	330ml	44	An oil-based foam cleanser made with natural ingredients that removes makeup and deeply cleanses the skin in one step.	J3C0
	 Hyaluronic Synergy Cleansing Gel	200ml / 1000ml	42 / 124	A mildly acidic moisture cleanser that forms a moisture barrier for dry and sensitive skin while effectively removing impurities.	H2C4 H3H6
	 Dema Care Cleansing Gel	200ml / 1000ml	42 / 124	A mildly acidic cleanser containing peptides that help nourish the skin, improve dull complexion, and maintain hydration for a long time.	D2C4 D3C6
	 Sebum Care Cleansing Gel	200ml / 1000ml	42 / 124	A gentle cleanser for combination and acne-prone skin that effectively removes excess sebum and impurities, keeping the skin fresh and clean.	S2C4 S3C6
	 Immunity Time Spirulina Enzyme Bubble Pack	7g * 3 / SET	24 / 33	A gentle powder-type exfoliator containing spirulina to remove impurities, dead skin cells, and sebum effectively.	S1E7 S2E1
DEEP CLEANSER &PELLING	 Beta Amino Peel	55ml	74	A soft peeling formula containing AHA and amino acids that minimizes skin irritation and dissolves unnecessary dead skin cells for a clear and radiant complexion.	A4P7
	 Beta B.H.A Peel	55ml	74	A soft peeling solution with AHA and BHA, known for their excellent anti-inflammatory and antibacterial effects, effectively targeting excessive sebum, blackheads, and enlarged pores.	B4P7
	 Active Deep Peeling Gel	500ml	88	A gentle gommage-type exfoliator that removes only unnecessary dead skin cells, leaving dull and rough skin smooth and revitalized.	D4P7
TONER & TONIC SOLUTION	 Hyaluronic Synergy Toner	200ml / 1000ml	39 / 106	An essential moisturizing and soothing toner with a synergistic effect of beta-glucan and hyaluronic acid for excellent hydration.	H2T2 H3T3
	 Derma Care Synergy Toner	200ml / 1000ml	39 / 106	A high-moisture regenerating toner containing peptides that provide hydration and nourishment to rough and dull skin lacking elasticity.	D2T2 D3T3
	 Sebum Care Synergy Toner	200ml / 1000ml	39 / 106	A pH-balancing toner infused with tea tree extract, known for its excellent anti-inflammatory and antibacterial properties, helping to control sebum and reduce inflammation.	S2T2 S3T3
	 Intensive Azulene Soothing Ampoule Tonic	155ml / 1000ml	33 / 133	A calming solution containing guaiazulene and moisturizing ingredients that replenish inner skin moisture while controlling sebum for a clean and balanced complexion.	T1S8 T4S2
	 Premium Ceramide K Ampoule Tonic	155ml / 1000ml	33 / 133	A barrier-strengthening solution containing ceramide and vitamin K to keep sensitive and dry skin hydrated and healthy.	C1S8 C4S2
AMPOULE	 Hyaluronic Synergy Ampoule	55ml / 200ml	70 / 202	A highly concentrated hydration ampoule enriched with hyaluronic acid and beta-glucan that delivers intense moisture without stickiness, leaving the skin glowing.	H3A6 H9A8
	 Derma Care Synergy Ampoule	55ml / 200ml	88 / 202	A skin-revitalizing ampoule with acetyl hexapeptide, known as "topical botox," that firms sagging and loose skin, restoring elasticity.	D4A6 D9A8
	 Mela Care Synergy Ampoule	55ml / 200ml	88 / 202	A whitening functional ampoule containing niacinamide that brightens dark pigmentation, evens out uneven skin tone, and revitalizes dull, dark skin.	M4A6 M9A8
	 Intensive Azulene Soothing Ampoule	55ml / 200ml	88 / 202	An effective solution for sensitive skin, redness, and sebum control, enhanced by the synergy of guaiazulene and hyaluronic acid for maximum hydration and soothing effects.	Z4A6 Z9Z8
	 Premium Ceramide K Correct	80ml	85	A highly concentrated barrier ampoule with ceramide, specially formulated for extremely dry, hypersensitive skin with thin and red capillary-expanded areas.	C4R5
SERUM	 Rejuvenating Aqua Soothing Serum	50ml / 330ml	46 / 125	A high-moisture calming serum infused with hyaluronic acid that reduces skin stress and provides deep hydration for a comfortable skin condition.	A2S7 A4S8
	 Derma Care Synergy Serum	330ml	125	A regenerating serum enriched with high concentrations of peptides and anti-aging ingredients, providing outstanding hydration and nourishment to sagging and loose skin.	D4S8
	 Mela Care Vitamin B3 Serum	330ml	125	A high-performance whitening serum that instantly brightens dull and dark skin, leaving it radiant and glowing.	M4S8
	 Sebum Care Control Spot Serum	50ml / 330ml	46 / 125	A trouble-soothing serum that provides an immediate calming effect for acne, excess sebum, blackheads, and inflamed skin.	S2S7 S4S8
MOISTURE	 Rejuvenating Cica Moist	50ml / 330ml	43 / 125	A moisturizing and regenerating emulsion packed with centella asiatica extract for skin healing and hyaluronic acid for intense hydration.	C2M5 C4M8
	 Sebum Care Control Soft Moist	50ml	43	A trouble-soothing emulsion with excellent sebum control that provides a fresh, non-sticky hydration while maintaining a healthy pH balance.	B2M5
CREAM	 Hyaluronic Synergy Cream	50g / 250g	68 / 169	A high-moisture hyaluronic acid cream that absorbs smoothly, forming a strong moisture barrier to keep the skin hydrated and comfortable all day long.	H3C5 H6C2
	 Derma Care Synergy Cream	50g / 250g	87 / 193	A peptide firming cream that strengthens and tightens sagging, sunken skin, providing a noticeable lifting effect.	D4C4 D7C2
	 Premium Ceramide K Cream	70g / 250g	65 / 169	A high-performance skin barrier regeneration cream containing vitamin K for vascular strengthening and ceramide to create a healthy protective skin barrier with a smooth texture.	K3C7 K7C2
	 Intensive Azulene Soothing Gel Cream	70g	63	A soothing gel cream with a refreshing sensation that reduces heat in troubled and inflamed areas, providing an excellent calming effect without any stickiness.	A3C7 A6C2
	 Improve Mela Toning Cream	70ml	65	A multi-formula infused with glutathione and idebenone, which effectively removes free radicals, promoting hydration and brightening the complexion.	M3C7
	 Real Double Barrier Cream	100ml	69	A regenerating cream with a synergy of natural moisturizing factor hyaluronic acid and EGF, optimizing the oil-water balance for healthy skin.	B4C4
	 Mela Care Snow Cream Mask	250ml	193	A whitening and regenerating cream containing niacinamide and yeast extract to brighten and clarify the overall skin tone.	M7C2
	 Sebum Control Synergy Cream	250g	169	A refreshing sebum-control cream formulated with tea tree extract to combat bacteria and acne, along with niacinamide to prevent discoloration and soothe inflammation.	S6C2
	 RF Renewal Active Cream	1000g	83	A high-frequency treatment and massage cream enriched with plant-based oils to provide deep nourishment to the skin.	R4F0
GEL	Intensive Advanced Calming Gel	100ml / 1000ml	35 / 124	A high-performance moisturizing and soothing gel containing aloe for excellent hydration, anti-inflammatory, and antibacterial effects, along with real centella for skin regeneration, quickly lowering skin temperature.	S6C2
	Pore Refine Soothe Decon Gel	100ml / 1000ml	35 / 124	A cooling and calming gel that enhances circulation, effectively expelling toxins, reducing puffiness, soothing the skin, and controlling sebum.	R4F0

CLASSIFICATION	PRODUCT NAME	CAPACITY	CONSUMER PRICE (\$)	PRODUCT DESCRIPTION	CODE
