

## HK5610

Sleek, streamlined, and powerful, the Shiji HK5610 POS Workstation supports your business needs with ease.

Enjoy a 180-rotating touchscreen, powerful processor, and superior storage, as well as full screen adjustment and folding. These models meet today's hotel, casino and restaurant needs for both modern design and superior functionality.

## Built for the hospitality industry powerful and space-saving

The Intel® Celeron® Processor J6412 CPU provides an economical and efficient choice by combining high performance with lower power consumption.

The 15.6" wide-screen POS display screen allows for a better experience.

The smart hinge design, screen rotation, and adjustable screen height allow for maximum flexibility and comfort.
