manager/driver

Your benefits :

Managing working hours and activity :

- ✓ Justify time spent with customers and overtime work
- ✓ Automate timesheets
- ✓ Optimise the profitability of assignments by accurately measuring time spent

Savings :

- ✓ Reduce fuel costs, accidents and insurance premiums...
- ✓ Optimise vehicle management time through automation (fines, maintenance, etc.)

Usage control :

- ✓ Controlling the use of vehicles: limiting use outside working hours

Safety :

- ✓ Protect vehicles and equipment: real-time monitoring, theft alerts, remote immobilisation
