GMC Lifting Solutions

Load cell with wireless handset

Serial number Load cell	025-011
Rated load	25 Ton
Proof loaded to	50 Ton
For use with telemetry	ELT 01 digital display
Accuracy	1% of applied load
Units	Ton
Safety factor	5 : 1
Operating temperature	-10°C to +40°C
Storage temperature	0°C to +30°C
Output signal	Wireless
Data logging	Digital reading - 8 digits
Battery life/type	50 hours continuous use, 3 x 3AA batteries
Telemetry frequency	2.4Ghz ISM
System range	Up to 300m
Data rate	3Hz
