

## **Heliostar Announces \$6M Financing with Eric Sprott**

**THIS NEWS RELEASE IS NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES OR TO U.S. PERSONS**

**Vancouver, Canada, October 7, 2024** – Heliostar Metals Ltd. (TSX.V: HSTR, OTCQX: HSTXF, FRA: RGG1) (“**Heliostar**” or the “**Company**”) is pleased to announce a non-brokered private placement of 10,000,000 units (each, a “**Unit**”) at a price of \$0.60 per Unit for gross proceeds of \$6,000,000 (the “**Private Placement**”).

Each Unit will consist of one common share in the capital of the Company (each, a “**Common Share**”) and one-half of one non-transferable Common Share purchase warrant (each whole warrant, a “**Warrant**”). Each Warrant shall entitle the holder thereof to purchase one additional Common Share (each, a “**Warrant Share**”) at an exercise price of \$0.90 per Warrant Share for a period of 24 months following the closing date of the Private Placement.

2176423 Ontario Ltd., a corporation beneficially owned and controlled by Mr. Eric Sprott, intends to subscribe for the entire Private Placement.

The Private Placement is scheduled to close on or about October 11, 2024 and is subject to certain conditions including, but not limited to, the receipt of all necessary approvals including the approval of the TSX Venture Exchange (the “**TSXV**”).

The Company will pay finder's fees to eligible finders in accordance with the policies of the TSXV.

The Company intends to use the net proceeds of the Private Placement for working capital and general corporate purposes.

All securities issued pursuant to the Private Placement will be subject to a hold period of four months and one day from the closing date of the Private Placement in accordance with applicable securities laws.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy securities in the United States or to U.S. Persons (as that term is defined in Rule 902(k) of Regulation S), nor shall this press release be construed to constitute such an offer or solicitation in any jurisdiction in which such offer, solicitation or sale would be unlawful. The securities being offered have not been, nor will they be, registered under the United States Securities Act of 1933, as amended (the “**1933 Act**”) or under any U.S. state securities laws, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the 1933 Act, as amended, and applicable state securities laws.

### **About Heliostar Metals Ltd.**

Heliostar aims to grow to become a mid-tier gold producer. The Company is focused on developing the 100% owned Ana Paula Project in Guerrero, Mexico and has recently entered into an agreement to acquire a portfolio of production and development assets in Mexico.

**Cautionary Statement Regarding Forward-Looking Information**

*This news release includes certain "Forward-Looking Statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995 and "forward-looking information" under applicable Canadian securities laws. When used in this news release, the words "anticipate", "believe", "estimate", "expect", "target", "plan", "forecast", "may", "would", "could", "schedule" and similar words or expressions, identify forward-looking statements or information. These forward-looking statements or information relate to, among other things, the expected closing date of the Private Placement and the intended use of proceeds of the Private Placement, exploration and development of the Company's projects and potential cash flow and production from the Company's projects.*

*Forward-looking statements and forward-looking information relating to the terms and completion of the Facility, any future mineral production, liquidity, and future exploration plans are based on management's reasonable assumptions, estimates, expectations, analyses and opinions, which are based on management's experience and perception of trends, current conditions and expected developments, and other factors that management believes are relevant and reasonable in the circumstances, but which may prove to be incorrect. Assumptions have been made regarding, among other things, the receipt of necessary approvals, price of metals; no escalation in the severity of public health crises or ongoing military conflicts; costs of exploration and development; the estimated costs of development of exploration projects; and the Company's ability to operate in a safe and effective manner and its ability to obtain financing on reasonable terms.*

*These statements reflect the Company's respective current views with respect to future events and are necessarily based upon a number of other assumptions and estimates that, while considered reasonable by management, are inherently subject to significant business, economic, competitive, political and social uncertainties and contingencies. Many factors, both known and unknown, could cause actual results, performance, or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements or forward-looking information and the Company has made assumptions and estimates based on or related to many of these factors. Such factors include, without limitation: precious metals price volatility; risks associated with the conduct of the Company's mining activities in foreign jurisdictions; regulatory, consent or permitting delays; risks relating to reliance on the Company's management team and outside contractors; risks regarding exploration and mining activities; the Company's inability to obtain insurance to cover all risks, on a commercially reasonable basis or at all; currency fluctuations; risks regarding the failure to generate sufficient cash flow from operations; risks relating to project financing and equity issuances; risks and unknowns inherent in all mining projects, including the inaccuracy of reserves and resources, metallurgical recoveries and capital and operating costs of such projects; contests over title to properties, particularly title to undeveloped properties; laws and regulations governing the environment, health and safety; the ability of the communities in which the Company operates to manage and cope with the implications of*

*public health crises; the economic and financial implications of public health crises, ongoing military conflicts and general economic factors to the Company; operating or technical difficulties in connection with mining or development activities; employee relations, labour unrest or unavailability; the Company's interactions with surrounding communities; the Company's ability to successfully integrate acquired assets; the speculative nature of exploration and development, including the risks of diminishing quantities or grades of reserves; stock market volatility; conflicts of interest among certain directors and officers; lack of liquidity for shareholders of the Company; litigation risk; and the factors identified under the caption "Risk Factors" in the Company's public disclosure documents. Readers are cautioned against attributing undue certainty to forward-looking statements or forward-looking information. Although the Company has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be anticipated, estimated or intended. The Company does not intend, and does not assume any obligation, to update these forward-looking statements or forward-looking information to reflect changes in assumptions or changes in circumstances or any other events affecting such statements or information, other than as required by applicable law.*
