

## ABOUT BELCO DOORS

*Here, let us get the door for you.*

Belco Doors has been in business since 1983. Under the same management and with the same highly trained, committed workforce, we continue to provide one of the most comprehensive selections of elevator doors in the industry. From modernization projects to new construction, our focus remains the same: dependable products, practical solutions and responsive service.

**WHY BELCO?** **40+** Years of elevator-door experience, manufacturing knowledge and customer support.

### TRUSTED PROFESSIONALS

With over 40 years of experience in residential, commercial, freight, LULA and marine elevators, lifts and doors, our team understands the real-world demands of the industry and the importance of getting the details right.

### BESPOKE PRODUCTS

Our in-house team designs and manufactures doors to suit unique project requirements and timelines. We offer fire-rated stainless, G90 galvanized steel and galvaneal doors and frames to meet both performance and aesthetic needs.

### QUALITY ASSURANCE

We use premium components and continuously improve our processes based on feedback from customers, dealers and installation teams. The result is equipment built to outlast and outperform the status quo.

### OUR SISTER COMPANY

Hal-Brant Elevator Services Ltd. installs, maintains and modernizes lifting devices. Because we share a facility, we stay closely connected to field realities and can respond quickly to the changing needs of the elevator industry.

**WARRANTY SUPPORT** We stand behind our products. Complete assemblies come with a five-year warranty, while components and sub-assemblies carry a two-year warranty in all other instances.

### CERTIFIED & RESPECTED

Belco Doors is a member of the National Association of Elevator Contractors (N.A.E.C.) and a founding member of the Canadian Elevator Contractors Association (C.E.C.A.), reflecting our long-standing commitment to the elevator industry.
