(with carryover)

An LPFSA lets you use tax-free money to pay for eligible dental and vision expenses.¹ So you spend less on what you need. It also makes a great companion to a Health Savings Account (HSA). Use your LPFSA for dental and vision expenses and keep your HSA growing tax-free for other future healthcare needs.

- ✓ Pay for your spouse and dependents too.
- ✓ Carry part of your unspent funds into the next plan year.²
