A. Amount and Duration of Disability Benefit The weekly benefit payable hereunder during the first ninety (90) days of a Disability Benefit Period will be equal to the higher of (i) seventy percent (70%) of weekly Earnings to a maximum of \$4,600, or (ii) the weekly benefit rate as determined by the California Employment Development Department (State Rate). Thereafter, the weekly benefit payable will be the State Rate as determined by the California Employment Development Department.

For each day of any period of Disability for which benefits are payable and which is less than a full week, the amount of benefit payable will be one-seventh (1/7) of the amount of the weekly benefit.

The maximum benefit payable during any one Disability Benefit Period will be eleven and six-sevenths (11 6/7) times the weekly benefit payable during the first ninety (90) days of Disability, plus forty and one-seventh (40 1/7) times the weekly benefit payable thereafter. B. Limitations to the Amount of Disability Benefit Disability benefits will be limited to the State Rate (weekly amount and maximum benefit) for any day on which the employee has been offered, but declines, modified work that he or she is capable of performing.

C. Amount and Duration of Paid Family Leave Benefit The weekly benefit payable hereunder will be the higher of (i) seventy percent (70%) of weekly Earnings to a maximum of \$1,765, or (ii) the weekly benefit rate as determined by the California Employment Development Department (State Rate).

For each day of any period of PFL for which benefits are payable and which is less than a full week, the amount of benefit payable will be one-seventh (1/7) of the amount of the weekly benefit.

The maximum benefit payable for PFL during any Twelve-month Period will be eight (8) times the weekly benefit.

D. Simultaneous Coverage In case of any period of Disability or PFL for which an employee entitled to benefits hereunder is simultaneously covered by one or more other plans (including Voluntary Plans and the State Disability Fund), and accordingly is entitled to other unemployment compensation disability benefits or family temporary disability benefits on account of the same Disability or PFL, the amount payable under this Plan for such period of Disability or PFL will be:

1. the amount, if any, by which the benefits to which the employee otherwise would have been entitled under this Plan exceeds the benefits to which he or she would have been entitled under the CUIC if he or she were not covered by any Voluntary Plan; plus
2. the quotient of the amount of benefits to which the employee would have been entitled under the CUIC if he or she were not covered by any Voluntary Plan divided by the number of plans (including Voluntary Plans and State Disability Fund) under which he or she is simultaneously entitled to benefits.

E. *Redirection of Benefits* An employee eligible to receive benefits under this Plan may choose to redirect a portion of his or her weekly benefit to cover all or part of the costs of employee-paid benefits. To execute this option, the employee must designate in writing, on a form available from the Employer, the weekly amount to be so redirected. This redirection may be initiated at the time the employee applies for Plan benefits or any time while receiving Plan benefits. The employee may terminate, or change the terms of, the redirection at any time while receiving Plan benefits.

F. *Overpayments* In the event the calculation of a benefit under the Plan results in an overpayment to the employee, the employee will be required to repay such overpayment to the extent permitted under the CUIC and the CCR. The Employer will make reasonable arrangements with the employee or his or her legal representative(s) for the repayment to the Plan, including, but not limited to, the reduction of future benefits under the Plan or the reduction of future pay from the Employer as allowed under the CUIC and the CCR.

VI. CONTRIBUTIONS

Effective January 1, 2026, the required employee contribution will be 1.0% of the first \$200,000 in calendar wages, the maximum contribution will be \$2,000.

Any required contributions will not exceed the amount authorized by Section 3260 of the CUIC.

VII. CLAIMS

Claim forms may be obtained by contacting The Larkin Company, the leave and claims administrator appointed by Pixar, at (650) 938-0933 or toll-free at (866) 923-3336 or by emailing pixarleaves@thelarkincompany.com. Claim forms may also be obtained by contacting Pixar's Human Resources Department or by accessing the forms through the Pixar benefits intranet.

After the employee (or his or her legally authorized representative as defined in Sections 2705 and 2705.1 of the CUIC) and his or her Physician or Practitioner, or other person authorized to certify Disability or PFL and, for PFL, the Care Recipient (or his or her authorized representative as defined in Section 3302-1 of the CCR), have completed and signed the required sections of such forms, they should be submitted via a postal service or electronically to The Larkin Company. Except for good cause, a claim must be filed within forty-five (45) days following the first compensable day of Disability or PFL.

An employee who files a claim will receive a Notice of Computation (DE429D) from the State which shows the minimum amount he or she should be paid. Employees should note the wage quarters used by the State to compute the amount. If an employee was in military service, received workers' compensation benefits, or did not work because of a trade dispute during his or her base period, he or she may be able to substitute wages paid in prior quarters to make the claim valid or increase the benefit amount. If the claim is invalid because of extended unemployment during his or her base period, the employee may also be able to substitute wages paid in prior quarters to make the claim valid.

Under the provisions of the CUIC, the Employer or its authorized administrator will have the right to (i) require supplemental forms from the Physician or Practitioner or those authorized to certify disabilities or PFL as often as deemed necessary, and (ii) require that the employee or the Care Recipient be examined by a Physician or Practitioner chosen by the Employer. This may be done when and as often as may be reasonably required during the period payments may be due under this Plan.

VIII. COMPLIANCE

The Employer hereby guarantees that each employee covered by this Plan will, in all respects, be afforded rights at least equal to those afforded by the State Disability Fund and will receive a weekly rate and maximum amount and duration of benefits at least equal to those which he or she would have received from the State Disability Fund but for coverage by this Plan.

IX. APPEALS

A. Appeal of Denial of Disability and/or PFL Benefits

An employee who is denied benefits under the terms of this Plan may appeal the denial within thirty (30) days following the date the notice of denial was mailed. An employee may also appeal if he or she does not receive notice denying benefits within thirty (30) days after the claim was sent to the Voluntary Plan. In such cases, the employee must file the appeal no later than sixty (60) days from the date the claim was sent to the Voluntary Plan. In both cases of denial and lack of notice of denial, the employee must send the appeal to the EDD for processing. The EDD, although a party to any appeal, generally does not attend this type of hearing. Appeals for the denial of Disability benefits may be made in person or in writing at any office of the Employment Development Department. Appeals for the denial of PFL benefits must be sent to:

Paid Family Leave
PO Box 997017
Sacramento, CA 95899-7017

B. Payment of Benefits Pending Appeal

C. Disputed Coverage Appeals

An employee, the EDD, or the Voluntary Plan may appeal a denial of coverage for Disability or PFL within thirty (30) days of the date the notice of denial was mailed.

In disputed coverage cases in which a denial of coverage is not furnished, an appeal will be filed after twenty-five (25) days and no later than fifty-five (55) days from the date the appellant sends a request for payment of benefits to the EDD or Voluntary Plan. If eligible, the employee will be paid benefits by the plan that initially received the claim, pending disposition of the disputed coverage appeal.
