James Madison University • 2025**

Design Specialist • TDC Marketing • Harrisonburg, Virginia • 2025-2026

Responsibilities included designing and producing high-quality graphics for digital, print, and branding projects while ensuring alignment with client goals and brand guidelines.

Collaborated with clients and team members to conceptualize, organize, and present creative ideas. Managed multiple projects simultaneously, maintaining strong attention to detail and consistently meeting deadlines. Researched design trends to develop fresh solutions, and communicate effectively with supervisors and teammates using collaboration tools such as Notion and Google Chat to streamline workflow.

Graphic Designer • JMU SACM • Harrisonburg, Virginia • 2024-2025

Responsibilities included working on projects for JMU departments, working through a design process, and communicating with clients about ideas. Working in a team setting, presenting ideas, and sharing feedback occurs at weekly meetings. Creating high-quality designs by following JMU brand guidelines, universal design accessibility standards, and Student Affairs Communications and Marketing quality standards.

Gallery Assistant • Duke Hall Gallery • Harrisonburg, Virginia • 2022

Responsibilities included preparing gallery spaces for artists showcasing their work, installing artwork, and creating necessary graphics for the gallery space as needed.

Salesperson • Joe Bowman Auto Plaza • Harrisonburg, Virginia • 2021

Responsibilities included guiding customers through the car buying experience. This required working with customers to schedule appointments, present and demonstrate cars, test drive cars, and present cost figures in person and over the phone.

Travel Coordinator • Great Eastern • Harrisonburg, Virginia • 2019-2021

Responsibilities included speaking with and selling a getaway package to people over the phone and convincing them to pay a deposit to stay at Massanutten Resort.

International Experience

JMU Study Abroad • Burren College of Arts • Ireland • 2023

Participated in a 3 week, 6 credit cross cultural studio project that incorporated a 35mm photo gallery presentation as well as collaboration with JMU professors and professors at the Burren College of Arts.
