EARTH CONNECT FLEXISIM™

Earth Connect - 220 countries and territories, 700+ carriers

KEY

LOCAL ENTERPRISE CONNECT

High-speed, zero-trust security, scalable private 5G on-net connectivity with large SIM pooling options for local enterprises.

LOCAL ROAMING CONNECT

Seamless, uninterrupted local network access across multiple carriers within a country.

RETAIL BUNDLE CONNECT

Cost-effective data bundles with mobility-ready, L2/L3-managed connectivity for retail operations.

FIXED WIRELESS CONNECT

Highly cost-effective, rapidly deployable, fixed-location connectivity with 4x4 MIMO Cat-12 modem support.

EARTH CONNECT FLEXISIM™

Global, scalable, non-steered, multi-network connectivity powered by iONLINE FlexiSIM™.
