

AAC 127 SOFT

PRODUCT FACT SHEET

AAC 127 SOFT

DESIGN BY HEE WELLING, 2020

The AAC 127 Soft fuses the sleek, elegant aesthetic of the four-legged steel frame with the softness and warmth of the quilted shell. Retaining the same high backrest and generous seat that characterises the series, this design features a functional base with angled legs that slant slightly outwards for optimal stability. The base is available in chrome and powder-coated finishes, and the quilted shell is offered in a variety of upholstery options, providing a multitude of design combinations that give this series versatility in a wide range of corporate, public, and private contexts.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Soft quilted upholstery with added wadding in a large selection of fabrics and leathers.
- Variety of textiles and base finishes.
- Other base options are: 4 star swivel base, moulded plywood base and 5 star swivel gas base.
- Other upholstery options are: a soft duo version in selected fabric and leather combinations on front and back or a non-quilted full upholstery in a large selection of fabrics and leathers.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
