

AAC 23

PRODUCT FACT SHEET

AAC 23

DESIGN BY HEE WELLING, 2010

The About A Chair AAC 23 offers functional simplicity and modern aesthetics, which are tempered by the softness and warmth of the upholstered shell. Retaining the same curved shell with unified silhouette that characterises the entire series, this design features a four-legged wooden base that adds a timeless, classic expression. The wooden base is available in a choice of finishes, with the post-consumer recycled plastic offered in a variety of regular and quilted upholstery options. The multitude of variants and design combinations give this series a versatile expression that makes it suitable for a wide variety of corporate, private, and public contexts.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Full upholstery in a large selection of fabrics and leathers.
- Variability of textiles, colours and base finishes.
- Available with plastic shell, with front upholstery (AAC 22) and full upholstery (AAC 23) in a large selection of fabrics and leathers.
- Shell is also available without armrest.
- Other base options are: 4-leg steel base, sled base, swivel base, wheel base and solid wood legs.
- Other upholstery option is: a soft quilted version with added wadding in a large selection of fabrics and leathers.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
