# AAL 03 OTTOMAN

## DESIGN BY HEE WELLING & HAY

About An Ottoman is designed as a companion for both versions of About A Lounge Chair, but the footstool has such a strong visual expression that it can easily stand alone as an extra seat. In line with the rest of the series, About An Ottoman is able to blend into a relevant environment depending on your choice of upholstery, colours and materials.

### SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
