

TRIANGLE LEG BENCH

PRODUCT FACT SHEET

TRIANGLE LEG BENCH

DESIGN BY SIMON JONES, 2017

Motivated by the desire to create more space around a circular table, Simon Jones designed the Triangle leg table and bench series. The ends of the rectangular bench have been rounded to match the table's organic shape, which was designed to maximise seating and create a sociable setting. The triangular leg section creates the illusion of lightness and enables it to be used alone or together with square- or roundlegged chairs. Crafted in solid oak with an oiled or water-based lacquer finish, this versatile bench is suitable for a wide range of private and public dining or office environments.

HIGHLIGHTS

- Multi-functional family of tables and benches in different shapes, sizes and finishes.
- Crafted in solid oak with an oiled or water-based lacquer finish.
- FSC™-certified and EU-Ecolabelled.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise the environmental impact throughout their lifecycle. We prioritise carefully selecting materials, such as recycled content, FSC-certified wood, and water-based lacquer, while continuously increasing the number of eco-certified products. We adhere to strict regulatory requirements, and the majority of our products are tested to meet international standards for strength, durability, and safety.
