

# Connect Modular Sofa Table

“Connect is a modular seating system based on the idea of finding perfect proportional connections between the different components of the sofa. The design shows precise attention to detail and has architectural principles derived from modernism. The sleek, long lines give the sofa a modern yet timeless expression. Connect the modules to create a sofa of your choice.”

— Anderssen & Voll

## Designed by

Anderssen & Voll

## About the Designer

Anderssen & Voll are two-thirds of the former Norway Says and among the most prominent and successful Norwegian designers. They have formerly been named both Norwegian and Scandinavian Designers of the Year in Norway and have received international awards and recognition for their work with furniture, lighting, and home accessories.

## Environment

Indoor

## Country of Production

Denmark

## Preassembled

Yes - but assembling of configuration is needed.

## Description

The Connect Modular Sofa Table Module adds functionality to a variety of settings. Designed to integrate with Connect and Connect Soft sofas, they offer a practical surface while featuring space to add electrical outlets if needed. Available in two sizes, the module supports flexible layouts, making it well-suited for public spaces.

## Material

Table made using FSC™-certified (FSC-C028824) wood. MDF with oak veneer and a clear water-based lacquer finish. Legs made from solid oak with black water-based lacquer.

## Cleaning & Care

Wipe the table with a damp cloth. Use a mild detergent or dishwashing liquid if needed—avoid concentrated cleaners. Always dry with a clean cloth. To prevent stains and marks, promptly remove any liquid, grease, or spills.

## Additional Information

The Connect Modular Sofa Table is compatible with both the Connect Modular Sofa and the Connect Soft Modular Sofa series.
