

COVID-19 GUIDELINES FOR EXP STUDIO®

At EXP Studio®, the health and safety of our community members, guests, and staff are our top priorities. We strictly adhere to local COVID-19 guidelines and protocols to provide a safe and secure environment within our studio spaces. Your well-being is our commitment, and we appreciate your cooperation in adhering to these guidelines:

1. Masks Required:

In accordance with our county's mandates, guests are required to wear an approved face mask or face covering whenever and wherever it is mandated by local regulations. Please ensure that you have a suitable mask with you and wear it as directed by current guidelines.

2. Social Distancing:

Maintain a minimum distance of six feet from others whenever possible. Our studio layouts and capacity limits are designed to facilitate social distancing.

3. Hand Hygiene:

Hand sanitizer stations are readily available throughout our studio spaces. We encourage you to use them frequently. Additionally, please wash your hands thoroughly for at least 20 seconds when using restroom facilities.

4. Symptom Monitoring:

If you are feeling unwell, exhibiting COVID-19 symptoms, or have been in close contact with someone who has tested positive for COVID-19, we kindly ask that you refrain from visiting our studio until you are symptom-free and have met recommended quarantine guidelines.

5. Studio Cleaning:

We have enhanced our cleaning protocols to ensure the safety of our community. Our studio spaces are regularly cleaned and sanitized, with a focus on high-touch surfaces. We use CDC-approved and EPA-registered disinfectants.

6. Limited Capacity:

To maintain social distancing, we have implemented a limited capacity policy within our studio spaces. Please adhere to capacity limits as indicated.

7. Respiratory Etiquette:

Always cover your mouth and nose with a tissue or your elbow when coughing or sneezing. Dispose of tissues properly and immediately sanitize your hands.

8. Screening:

We may conduct health screenings, including temperature checks, upon entry to the studio in compliance with local regulations. Please cooperate with our staff during this process.

9. Contact Tracing:

We maintain records of visitors to assist with contact tracing, as required by government guidelines. Your information will be kept confidential and used solely for public health purposes.

10. Stay Informed:

Stay informed about local COVID-19 guidelines and adhere to any additional measures imposed by health authorities.

We appreciate your understanding and cooperation in following these guidelines to create a safe environment for everyone at EXP Studio®. Together, we can prioritize health and safety while enjoying our creative spaces. If you have any questions or concerns about our COVID-19 guidelines, please do not hesitate to contact our staff for assistance. Thank you for being a responsible and valued member of our community.
