## 1. Overview

Companies that **contract directly to Woolworths** are required to obtain a Company Subscription and undergo the relevant health and safety prequalification in Site360.

**NOTE:** Company Subscriptions are **valid for two years** and must be **paid for up-front via credit card before health and safety prequalification can proceed.**

## 2. Paying for the Company Subscription

Once the Risk Profile is submitted, you will be prompted to pay for the Company Subscription using credit card payment.

To do so, enter your company credit card details and submit the payment. Once the Company Subscription is paid, your company can proceed with its health and safety prequalification in Site360.

**PAYMENT REQUIRED**

Based on your completed risk profile, your business has been classified as:

**Category 1 Contractor**  
(High Risk)

As part of the terms and conditions for completing the onboarding process with Woolworths Group, payment is required before you can proceed.

**\$760** (ex GST)

Payments can be made securely by **CREDIT CARD**. You will receive immediate access to continue onboarding. Credit card fee's may apply.

Please note that completing company onboarding does not guarantee work will be issued by Woolworths and once payment is finalised, funds are non-refundable unless there are extenuating circumstances.
