# GovCom Road Show

Denver · Colorado

December 3, 2026 · 10:00 AM – 3:00 PM · Includes Lunch

*Energy, Defense & Federal Civilian*

## ABOUT THIS STOP

Denver sits at the crossroads of some of the most active sectors in government contracting — space, defense, energy, and federal civilian agencies that call Colorado home. With Buckley Space Force Base, Schriever SFB, NORAD/NORTHCOM, and a deep civilian federal workforce, the Denver GovCon community is sophisticated, mission-focused, and actively looking for the right partners.

## WHY DENVER?

Colorado is one of the most GovCon-dense states in the nation by per-capita federal spending, and Denver is the hub. The community here skews senior, technical, and deeply connected to the defense and space missions reshaping the federal landscape. If your company operates in defense, space, energy, or federal IT, Denver is a market you cannot afford to miss.
