

GEORGIA HIGH SCHOOL FOOTBALL HALL OF FAME – OCTOBER 24, 2026

The Georgia High School Football Hall of Fame is dedicated to celebrating the achievements of high school football players from Georgia who have gone on to excel not just in college or professional football, but within off-the-field endeavors that exemplify their leadership and passion. The evening kicks off with an exclusive VIP reception, followed by a star-studded ceremony attended by family, friends and fans, honoring these remarkable individuals and their lasting contributions to the sport.

This year on October 24 at the College Football Hall of Fame, the Hall will induct its fifth annual class, and the turnout is expected to be just as strong as the previous four induction ceremonies with current Hall of Famers in attendance alongside a plethora of Georgia high school football fans. Like the previous four years, there will be a VIP reception before each inductee makes the walk down the red carpet during the induction ceremony, with a wide variety of food and an open bar, along with an autograph session with this year's inductees.
