

How We Support Veteran-Focused Projects

A no-cost evaluation identifies real-world safety risks, daily routines, and long-term goals.

VA funding guidance is available, with financing options for qualified candidates.

What you can expect

- Respectful communication and clear guidance from planning through inspection
- Veteran-focused remodeling support
- VA grant navigation
- ADA-trained installation teams
- Multigenerational conversions and additions

Visit aitcoh.biz, then select Multigenerational Conversions.

Accessibility and Safety Upgrades

Targeted, code-aligned upgrades that reduce risk and improve day-to-day independence.

Mobility and access

- **Hand rails** for steps, halls, and entries
- **Grab bars** in tubs, showers, and toilet areas
- **Ramps** and safer transitions at doors and thresholds
- **Stair lifts** for multi-level access
- **Vertical platform lifts** and **home elevators and lifts**

Bathing safety

- Walk-in showers and safer bathing layouts
- Seating, lighting, traction improvements, and fixture updates

Workmanship Warranty

Remodeling and Construction Capabilities

Full-scope renovations that transform bathrooms, kitchens, and entries into safe, functional spaces.

Common project scopes

- Bathrooms and kitchens
- Plumbing and electrical
- Windows, doors, siding
- Room conversions and additions for a loved one
- Entry rebuilds, widened paths, obstacle removal
- General construction and finish work, inside and out

*No job too small or too big

Small upgrades and large remodels are handled with the same care, documentation, and inspection-ready finish.

AITCOH guarantees our workmanship required and contracted for one year from the date of completion.

Materials shall carry the manufacturer and/or supplier's warranty.

Complete Remodeling From the Ground Up

For veterans, families, and homeowners planning ahead.

Bathrooms, kitchens, plumbing, electrical, windows, doors, siding, general maintenance. No job too small or too big.

Stair lifts, home elevators and lifts, ramps, hand rails, grab bars, obstacle removal.

Maintenance and Ongoing Support

Proactive monthly in-home checkups identify and fix everyday risks before they cause harm.

Affordable programs available

Maintenance options help address recurring issues early, reduce emergency repairs, and keep the home dependable year-round.

Why Aging In The Comfort Of Home®

Our mission focuses on safety, respect, and the comfort of familiar surroundings.
