

Our Impact

- Hundreds of students supported.
- Thousands of learning materials distributed.
- Mentorships foster confidence and ambition.

Why It Matters

Every child gains hope, opportunity, and the belief they can shape their future.

Who We Are

I.F.C. Hope Foundation opens doors for underserved communities in Nepal and beyond through education, mentorship, and essential support.

Our Mission

Empower children and families with tools and guidance to learn, grow, and thrive.

Our Vision

Communities rising through opportunity and empowerment today's learners becoming **tomorrow's leaders**.

Building Brighter Futures

Empowering students, families, and communities through education, mentorship, and opportunity.

Our Core Programs

1. Education Empowerment

- Scholarships for **underprivileged students** in rural Nepal.
- **Building and renovating** schools and libraries.
- Providing books, uniforms, and **digital learning tools**.
- **Supporting and training** local teachers.

2. Mentorship Initiatives

- **Pairing students with mentors** for academic and personal growth.
- **Offering workshops** on communication, leadership, and decision-making.
- **Developing young leaders** through community and civic engagement programs.
