

Mayor's Report

July 2026

June & July 2026 Activities

- Apple Days
 - Many thanks to the Torrey Team, and all the volunteers that made Apple Days & America 250 celebration a great success
 - Many thanks to the participants and visitors for coming to Torrey to help celebrate
- Cooperative Wildfire System (CWS)
 - Creating draft Torrey WUI fire map
- Meeting with EDA Architecture – new Town Hall Design
 - Nan and I met with architects at EDA architecture to discuss new town hall design
 - EDA will provide a proposal to prepare and delivery design documents that can be submitted next spring to Senator Curtis' office for a grant to build a new town hall
 - EDA will provide design documents for the cost and project description
 - If grant is approved they will then provide build ready documents
- Code Enforcement
 - Justin is working on the ordinance update
 - Justin spoke with Mr. Nakamura about the contract and the process
 - Sent draft contract for Ross Mitchell to Justin for review
 - Goal to have everything ready by August or September 1
- Post Office
 - Reviewing the process for submitting Needs Analysis
- Open Meeting Training
 - Working with Brock to schedule time for Open Meeting training.
 - This is mandatory training for everyone
- File Organization
 - Will start working with Pat, Karen, Melinda, Nan, Renee, & Dustin to organize files, and send historical files to Utah State Archives
- IT
 - Meeting with Kevin to plan email migration
 - Creating a network map for SC Networks
 - Planning wireless migration
 - Planning complete transfer to SC Networks
