

"Support our Heroes"

Since 1942, BVL has worked to identify programs and services to brighten the days and boost the spirits of our recuperating service men and women. BVL provides the "extras" not funded by the government which help speed recuperation and improve morale. Some of our programs, like our annual VA/BVL Veterans Bowling Tournament, are decades-old traditions (over 70yrs), while others, like our "Welcome Home: We Salute you" events and Project Military Music, were just recently launched. We pride ourselves on identifying the needs of our veterans and providing programs to fill those needs in a cost efficient and effective manner.

Each year, the monies raised by BVL support our nation's veterans. Bowlers across the nation compete in city and statewide tournaments, hold bake sales and raffles during league nights, go lane to lane asking for contributions, and sponsor special events at bowling centers all across the country. Every dollar we make goes to BVL. Please help us support our Veterans!

The Annual CCUSBC BVL drive will be held in November as always and the kick-off for this event will be our BVL Tournament on November 9th. We are requesting donations to be added to our raffle which will be held at the Tournament. Anything you can donate is deeply appreciated. These donations are tax deductible.
