MSP™ Networking at Meetings

## DESCRIPTION

This course will give learners an understanding of how to set their goals, what they need to give in order to get what they want, and how to enter important information into the app. Training strives to influence or inspire new behaviors in the learners who complete it; thus ensuring their success and that of BNI. By the end of this course, learners will be able to: (1) Describe how to set your goals; (2) Explain what you should be giving in order to accomplish your goals; (3) Practice using the app to enter information; (4) Demonstrate the correct way to participate in the contribution part of the meeting.
