The screenshot shows the 'HOME' screen of the BNI Connect mobile app. At the top, there is a navigation bar with a lightbulb icon on the left, the word 'HOME' in the center, and a bell icon on the right. Below this is a user profile card for 'Danni Taylor', 'BNI Redlands', with a profile picture, the status 'Active', and a 'Due Date: 01/08/2025'. A right-pointing chevron is also present.

The main content area features three cards:

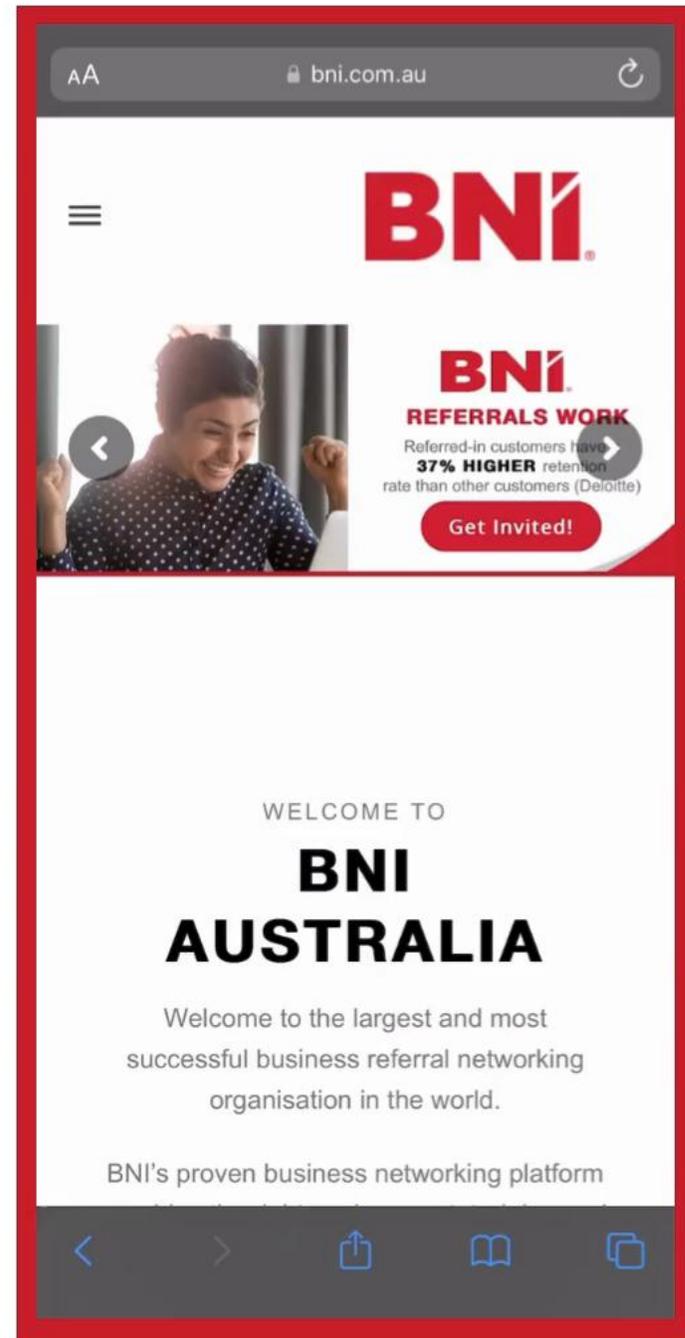

- NEXT MEETING:** Displays 'Thursday, August 22, 2024'. Below this, it shows 'TYFCB \$25.03k', 'SPEAKERS 1', and 'VISITORS 3'. There is an eye icon in the top right corner.
- SLIPS TO ANNOUNCE:** Lists four categories with counts: 'TYFCBs 0+', 'Referrals 2+', 'CEUs 1+', and 'One-to-Ones 12+'. There are printer and eye icons in the top right.
- 6 MONTHS 12 MONTHS LIFETIME:** A summary table showing performance over time.

At the bottom is a red navigation bar with five icons: Home (house), Slips (calendar), Search (magnifying glass), Visitors (envelope), and More (hamburger menu). Each icon has a corresponding label below it.
