Best-in-class Quantum® Gold Controls

Revolutionary Quantum® Gold technology combines equipment controls, programming and wireless networking into one full-store management system, including: wireless networking, adjustable water levels and in-depth reporting. Designed to reduce costs and maximize revenue, Quantum gives you the power to achieve unprecedented levels of profitability.

Washer features

- Stainless steel outer and inner drum
- Industry-leading 440 G-Force extraction removes more moisture, minimizing drying times and utility costs
- Totally freestanding: can be installed on any floor and any level
- Door opens of 180° for easy loading and unloading
- Suspension with new out-of-balance logic
- Standard with drain pump
- Soap box with four compartments
- Top, Front and side panels standard available in anthracite grey
- Electrical heating or boiler-fed
- 6 wash programs
- Possibility of programming cycle modifier (added prewash, extrawash time, extra rinse)
- LED indication of the status of the program
- Time remaining countdown

Dryer features

- Oversized lint filter located in front for easy cleaning
- Galvanized steel cylinder
- Powerful exhaust blower assures short drying times and low operating costs
- Wide door opening of 180° for easy loading and unloading
- Top, Front and side panels standard available in anthracite grey
- Electrical or gas heating
- LED indication of the status of the program
- Time remaining countdown

Quantum Controls

- 4 drying programs
- LED notification
- Programmable by Infra Red

Quantum Controls

- 6 programs
- 3 cycle modifiers
- LED notification

Connectivity

Wi-fi connectivity via accessory, enabling access to Speed Queen Insights and Speed Queen App.
