

# Safety First at Little Monkeys

At Little Monkeys, the safety and wellbeing of all our visitors is our number one priority.

By visiting our play centre and using our equipment or facilities, you agree to follow our Safety-First guidance below. If anything is unclear, please speak to a member of our team straight away – we're here to help.

## Safety First Guidelines

- Everyone using the play areas does so at their own risk. Please take care and play responsibly at all times.
  - Shoes must be removed before entering the play frame – socks must be worn at all times.
  - For safety, arms, legs and midriffs should be covered – no shorts, skirts, or crop tops on the play frame.
  - Please remove glasses (unless shatterproof), jewellery, badges, belts, or any sharp objects before play.
  - No food, drink, or chewing gum is allowed in the play areas.
  - No glassware is permitted anywhere in the play areas or seating zones.
  - Rough play, pushing, pulling, climbing on the outside of equipment, or holding others is not allowed.
  - Children under 5 must be closely supervised on the main play frame at all times.
  - Some equipment is not suitable for children under 5 – please check age/height restrictions before use.
  - Children and adults must behave in a respectful and safe manner. Bullying, rudeness, foul language, or aggressive behaviour will not be tolerated. Anyone behaving in this way towards another person or a staff member may be asked to leave, and no refund will be provided.
  - Children over 5 years old are not permitted inside the "Beetle's Den" play area.
  - Although alcohol is available within the Little Monkeys play area, we reserve the right to refuse service to anyone who is deemed to be intoxicated or behaving irresponsibly as a result of alcohol consumption.
- 

## Supervision

- Children must always be supervised by a parent or guardian – our staff are not a replacement for supervision.
  - We recommend at least 1 responsible adult for every 5 children.
  - A responsible adult must accompany all visitors under 16 years old.
  - Unaccompanied children will not be allowed to remain on the premises. No refunds will be given in these circumstances.
- 

## Our Commitment

We do everything we can to maintain a safe and enjoyable environment, but children always remain the responsibility of their accompanying adult(s). Misuse of the equipment may result in injury and is done at your own risk.

Please remember: Know your child's limits – and yours.

Play safe, look out for each other, and most importantly – have fun!
