

PROGRAM GUIDE • 2026-27

The Match High School & Career Center

We Learn. We Lead. We Rise.

WHO WE ARE

A different kind of high school

The Match High School & Career Center is a public charter high school in the heart of Indianapolis's 16 Tech Innovation District, built on a simple belief: **every student can rise** when learning is personal, relationships are real, and the path ahead leads somewhere worth going.

Part of the Matchbook Learning network and authorized by Trine University, we meet students where they are and move them forward. Learning here is personalized and mastery-based, so students advance as they are ready rather than waiting on a calendar. Inside a restorative community where every child is known by name, we pair strong academics with nine workforce-aligned career pathways, work-based learning, dual credit, and industry credentials that employers recognize.

Our mascot is the phoenix for a reason. We believe in resilience, in second chances, and in the kind of growth that turns potential into momentum. Every Phoenix graduates ready for what's next: college, a career, or service.

LIFE AT THE MATCH

HOW WE PREPARE

9 workforce-aligned
pathways

WHO AUTHORIZES US

Trine University

VISION & MISSION

VISION

Every child known, loved & flourishing.

MISSION

We personalize learning, within a restorative community, fostering resilience and excellence while preparing students for real-world opportunities.

Every student is welcomed by name.

LIFE AT THE MATCH

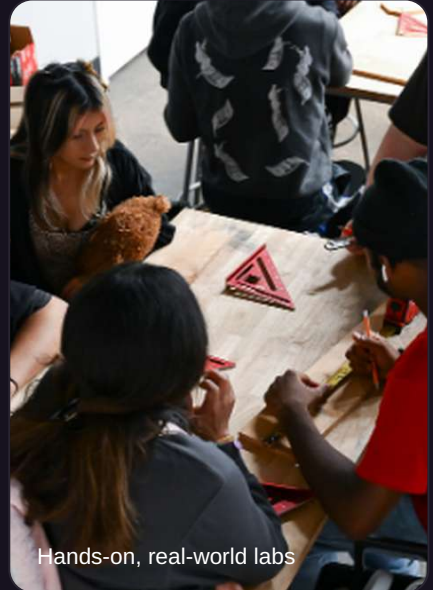

Learning beyond the walls.

School spirit & community

Work-based learning in 16 Tech

Hands-on, real-world labs

OUR STUDENTS. OUR FUTURE. COME MEET THEM.

Clubs, athletics, the arts, mentorship, and worksites across Indianapolis. Students here belong.

THE PROOF

Growth you can measure.

We serve students who arrive significantly below grade level. The number that matters is distance traveled, and the distance is real.

49 → 252

Students enrolled

Up 5x in three years

67th

NWEA math growth

National percentile

3.4% → 27.6%

Same-student math

Feeder cohort proficiency

CERTIFIED BEFORE GRADUATION

Leland walked in four years behind and walked out AWS-certified in welding, an industry credential earned before he ever crossed the stage.

EXTERNALLY VALIDATED

Our growth and operations are reviewed and affirmed by Education One at Trine University, our charter authorizer. The gains here are independently verified, not self-reported.

We measure distance traveled, not just where students start.

THE ROAD TO A DIPLOMA

Graduation Requirements

Built on Indiana's High School Diploma requirements published by the Indiana Department of Education.

SUBJECT	CREDITS	REQUIRED	FLEXIBLE
English	8	2 ELA 9 · 1 Communications	5 Additional English Credits
Math	7	2 Algebra · 1 Personal Finance	4 Additional Math Credits
STEM	7	2 Biology I · 1 Computer Science · 2 Lab Science	2 STEM-Focused
Social Studies	5	2 US History · 1 US Government · 2 World Perspectives	—
PE / Health	2	1 Physical Education · 1 Health & Wellness	—
Pathway Courses	6–10	6 Core Pathway · 2 Capstone	—
College & Careers	1	1 Preparing for College & Careers	—
Electives	2–6	—	2 Personalized Elective Courses

FULL COURSE DETAIL

Point your phone camera at the code to open the complete course catalog at thematch.org, or see your counselor for a personalized plan.

Recognized for academic growth at The Match.

THREE WAYS TO FINISH READY

Enrollment · Employment · Enlistment

Every Phoenix graduates ready for what's next: college, a career, or service.

Enrollment

College-bound, ready to enroll

DIPLOMA READINESS

- One of: 4 AP Credits · 6 College Credits · 1250 SAT · 26 ACT
- Attendance Goal
- Demonstrated Competencies

HONORS SEAL

- Academic Honors coursework
- C or higher in all courses

HONORS PLUS SEAL *

- 4 World Language
- 6 Social Studies
- 8 Math (advanced), cumulative

Employment

Career-bound, ready to work

DIPLOMA READINESS

- Credential of Value
- 75 hours of Work-Based Learning
- Demonstrated Competencies

HONORS SEAL

- Completed CTE Pathway and/or Credential of Value
- B average
- 150 hours of Work-Based Learning

HONORS PLUS SEAL *

- Market-driven credential of value
- Total of 650 WBL hours
- Demonstrated Competencies

Enlistment

Service-bound, ready to serve

DIPLOMA READINESS

- Intro to Careers in Government & Public Administration (Edgenuity)
- Intro to Law, Public Safety, Corrections & Security (Edgenuity)
- Attendance Goal

HONORS SEAL

- 31 or higher on ASVAB
- Career Exploration Program
- Demonstrated Competencies

HONORS PLUS SEAL *

- ASVAB of 50
- Demonstrated Leadership

* Honors Plus builds on everything above. See your counselor or the Indiana Department of Education for the full seal criteria.

Matchbook Learning Competencies

01 Resilience

Students persist through challenges, adjust based on feedback, and continue working toward their goals.

02 Honor

Students take responsibility for their actions, follow through on commitments, and contribute to a respectful, restorative community.

03 Communication

Students clearly share their thinking and engage with others by listening, responding, and building on ideas.

04 Collaboration

Students work with others toward shared goals, valuing different perspectives and contributing to the group's success.

05 Academic Ownership

Students take responsibility for their learning by setting goals, tracking their progress, reflecting on their growth, seeking support when needed, and producing quality work.

Matchbook students rise with resilience, lead with honor, communicate with clarity, collaborate with purpose, and take ownership of their learning and growth.

CHOOSE YOUR DIRECTION

Starts 2026-27 · with Arts for Learning Indiana

CORE ACADEMICS

9TH

GRADE

- ELA 9
- Algebra I
- Geography & History of the World
- Biology
- College & Careers
- PE / Health

10TH

GRADE

- ELA 10 or AP Seminar
- Geometry
- US History
- Personal Finance
- Lab Science

11TH

GRADE

- ELA 11 or Advanced ELA
- Math Elective
- Government
- Computer Science
- STEM-focused Science

12TH

GRADE

- Dual Credit or Career-Focused English

PATHWAY COURSES

9TH

GRADE

- 2D Art
- 3D Art
- Intro to Business

10TH

GRADE

- Art Electives (6 credits)
- Principles of Entrepreneurship

11TH

GRADE

- Dual Enrollment / AP Art Offerings

12TH

GRADE

- Capstone

PATHWAY GOALS

Community Engagement

College Credits

Completed Portfolio of Work

Civic Arts Careers

- **2D / 3D Artist · Digital Artist**

Create visual artwork and designs for games, ads, media, or products.

- **Craft & Fine Artist · Illustrator**

Produce original works for galleries, exhibitions, freelance clients, or commissions.

- **Graphic Designer**

Design layouts and visual elements for print, branding, web, or digital platforms.

- **Music Director · Composer**

Lead ensembles; write and arrange music for performances or recordings.

- **Music Teacher · Band Director**

Teach music performance and theory in schools or private settings.

- **Musician · Performer**

Perform live, in studios, or for media; may also compose or collaborate.

- **Event Planner · Live Event Producer**

Plan, coordinate, and run concerts, art shows, festivals, and community events.

- **UI / UX Designer · Visual Media Specialist**

Create digital interfaces and visual experiences.

- **Audio Engineer · Sound Technician**

Handle recording, mixing, and the technical audio side of performances.

- **Freelance Artist · Designer**

Gig-based artist, illustrator, creative consultant, content creator.

SALARY OUTLOOK

\$40,000 – \$100,000+ (varies with experience, location, and entrepreneurial success)

PATHWAY 02

Computer Science

Build, code, and ship real software

CORE ACADEMICS

9TH

GRADE

- ELA 9
- Algebra I
- Geography & History of the World
- Biology
- College & Careers
- PE / Health

10TH

GRADE

- ELA 10 or AP Seminar

GRADE

- Software Development Capstone

PATHWAY GOALS

Industry Certification

Completed Portfolio of Work

College or Career Preparation

Computer Science Careers

- **Software Developer · Engineer**
Design, build, test, and maintain software applications or systems.
- **Web Developer · Front-End Developer**
Create and maintain websites, focused on interfaces and functionality.
- **Mobile App Developer**
Build applications for mobile platforms (iOS, Android).
- **Database Administrator**
Manage, secure, and optimize databases (SQL, NoSQL).
- **Computer Programmer**
Write and test code for software applications.
- **Computer Systems Analyst**
Study IT needs and design solutions to improve efficiency.
- **Network & Systems Administrator**
Install, support, and maintain network and computer systems.
- **QA · Test Engineer**
Test software to identify bugs and improve quality.
- **IT Support · Help Desk Specialist**
Help users troubleshoot hardware and software issues.

SALARY OUTLOOK

\$50,000 – \$100,000+

PATHWAY 03

Construction

Trades that build the city

CORE ACADEMICS

9TH

GRADE

- ELA 9
- Algebra I
- Geography & History of the World
- Biology
- College & Careers

GRADE

- Dual Credit or Career-Focused English

PATHWAY COURSES

9TH

GRADE

- Principles of Construction

10TH

GRADE

- Construction Trades: General Carpentry

11TH

GRADE

- Construction Trades: Framing & Finish

12TH

GRADE

- Construction Trades Capstone

PATHWAY GOALS

OSHA 10 Certification

Apprenticeship Program

Dual Credit Attainment

Construction Careers

- **Residential / Commercial Carpenter**
Builds, installs, and repairs structures and fixtures.
- **Framing Carpenter**
Specializes in the structural framing of buildings.
- **Finish Carpenter · Trim Specialist**
Interior finishing, cabinetry, detailed woodwork.
- **Construction Laborer**
Entry point into the trades; supports crews on the job site.
- **Electrician**
Wiring, electrical systems, code compliance.
- **Plumber**
Water, drainage, and piping systems.
- **HVAC Technician**
Heating, ventilation, and air-conditioning systems.
- **Construction Foreman · Crew Lead**
Supervises job-site teams and schedules.
- **Construction Project Manager**
Oversees budgets, timelines, and subcontractors.
- **Independent Contractor · Owner**
Runs an independent construction or remodeling business.
- **Remodeler · Renovation Specialist**
Home renovations, additions, custom projects.

SALARY OUTLOOK

\$40,000 – \$90,000+

GRADE

- Computer Integrated Manufacturing (PLTW)

12TH

GRADE

- Engineering Capstone

PATHWAY GOALS

PLTW Certification

College or Career Preparation

WHERE IT LEADS

Engineering Careers

- **Surveying & Mapping Technician**
Collect data and make maps of the Earth's surface.
- **CAD Technician**
Drafts 2D / 3D models supporting engineering.
- **Mechanical Technician**
Supports mechanical design and maintenance.
- **Electrical Technician**
Works with electrical systems and installs equipment.
- **Nondestructive Testing (NDT) Technician**
Tests materials and parts for structural flaws.
- **Industrial Engineering Technician**
Helps optimize manufacturing processes.
- **Calibration Technician**
Ensures precision of measurement tools.
- **Manufacturing · Production Technician**
Supports factory engineering and assembly.
- **Quality Control · Inspection Technician**
Checks that parts and systems meet standards.
- **Drafting · Design Assistant**
Supports design teams with technical drawings.

SALARY OUTLOOK

\$45,000+ depending on role and credentials

TUITION-FREE PUBLIC CHARTER • NOW ENROLLING

Your seat is waiting.

Enrolling at The Match is free and open to any Indiana family. No tuition, no test to get in, no boundary lines. Here is how a Phoenix gets started.

1

Visit

Tour the building and meet the team at an open house or a weekday visit. See the pathways in action.

2

Apply

Complete the enrollment application during Round 1 admissions. It takes minutes and costs nothing.

3

Plan

Sit with a counselor to choose a pathway and build a personalized four-year plan.

4

Start

Reserve your seat and join the Phoenix family. Tuition-free, every year.

Enroll free — limited seats.
