

The Match High School and Career Center

Annual Teacher Retention Rate

Previous Five Years

The annual teacher retention rate for The Match High School and Career Center for each of the last 5 years that data was available. The Match opened in the Fall of 2024 and does not have any teacher retention data prior to that date.

The Teacher Retention Rate is calculated as follows: For the reporting period **2025–26** → **2026–27**, the calculation is 2025–26 teachers who returned in 2026–27 ÷ 2025–26 teachers.

Reporting Period	Teacher Retention Rate
2025–26 → 2026–27	64.3%
2024–25 → 2025–26	88.9%
2023–24 → 2024–25	No Data Available
2022–23 → 2023–24	No Data Available
2021–22 → 2022–23	No Data Available
