CORRADO MADDII

Corrado Maddii was born in Levane (AR) in March 1957, and began his motorcycle career in 1973.

In nineteen years of competition, he was twice world runner-up and fifteen times national champion.

He retired from racing and began as a team manager in 1991, collaborating with the most important companies.

Thanks to his past as a glorious rider, Corrado still experiences races as if he were in the saddle, aware of the fatigue, concentration, and difficult moments that characterize motocross. His vast experience is an inexhaustible source of young talent.

MARCO MADDII

Marco, Corrado's son, was born in 1988.

Growing up around motorcycles and motocross racing,

He began racing at a young age and made his competitive debut in 1996.

Over the course of his career, he participated in various disciplines and races, gaining extensive experience. He was a two-time European champion, thirteen-time Italian champion, and competed in the World Championship for almost ten years.

In 2013, he became a federal technician, teaching young motocross enthusiasts. In 2016, he ended his racing career to dedicate himself to managing the team with his father.
