Branded Kits

Bring your brand to life this holiday season

Snappy swag experts will help you:

- Curate a kit with an assortment of high-end gifts within your budget range
- Design customized boxes (for Early Bird orders only)
- Include a thoughtful note

Bulk Swag and Branded Kits are only available to our Enterprise level customers.
Please reach out to your sales representative for more information.

How Our Pricing Works

Pricing is simple.

- Pricing includes the product, a 1 color/1 location decoration, all setup fees, a custom insert card, packaging, fulfillment, storage up to 6 months, and shipping (US addresses only).
- Pricing does not include the annual subscription fee, Snappy fee or tax.

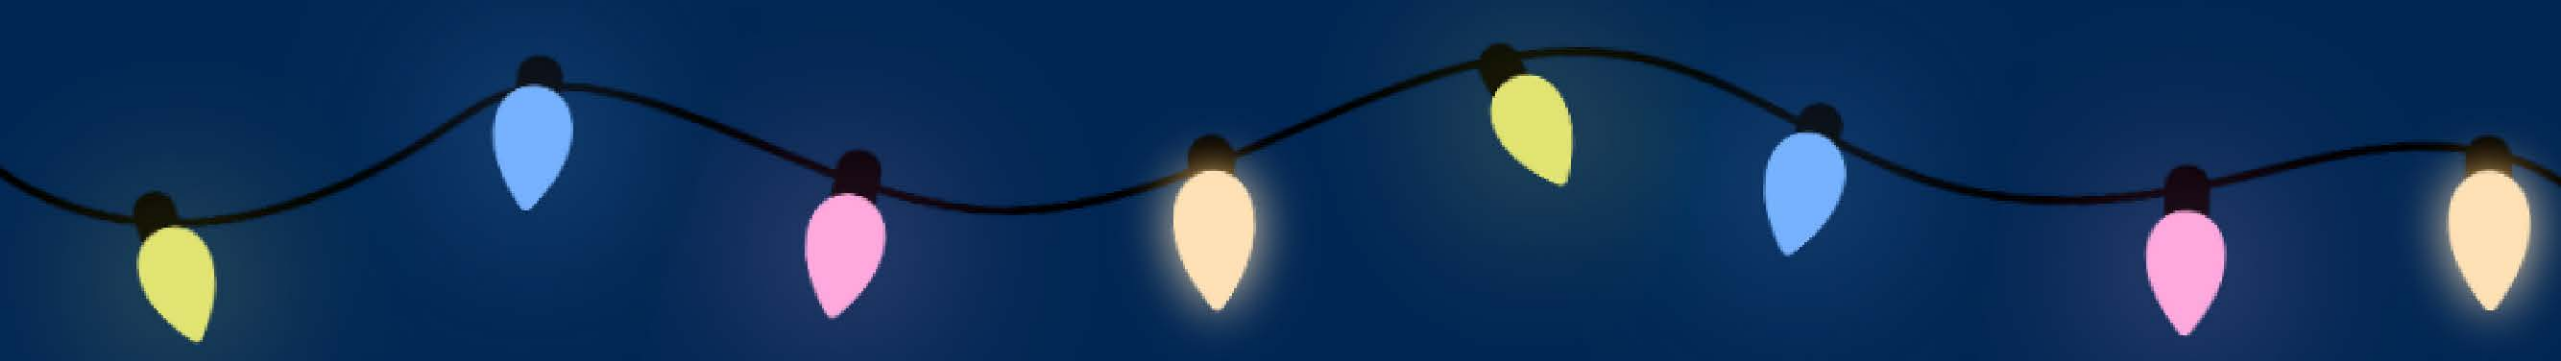

The more you order, the more you'll save!

- All items in our lookbook are priced at our minimum order quantity of 50 units, unless otherwise noted.
- Pricing will decrease as you increase your order quantity.

Pricing will be quoted based on your specific project.

- Please inquire with your sales representative for more details.

Ordering 101

Packaging

Default packaging for bulk items and branded kits is a plain (unbranded) box or mailer bag, unless otherwise noted.

You may upgrade to a custom printed mailer box on certain kits. Custom packaging is only available for our Early Bird orders. Please inquire with your sales representative for more details.

Sizing

All apparel sizes must be determined at the time of placing the order.

We have standard size breakdowns if you'd like assistance with estimating which sizes to order. Please inquire with your sales representative for more details.

We suggest over-ordering to ensure everyone gets the size they want.

Inventory Management

Your current swag inventory levels are visible through the Snappy dashboard.

You can also request bulk shipments of existing inventory to one (or more) location(s) through the dashboard.

Coming soon: the ability to browse our catalog and request re-orders directly through the dashboard!

Shipping & Delivery

We suggest over-ordering in anticipation of holiday shipping carrier issues and delays, last minute add-ons to your list, etc.

If a package is lost in transit, we are able to ship a replacement as long as you have extra inventory in stock.

We can only ship to US addresses at this time.
