These confidentiality obligations shall survive termination or expiration of these Terms of Use in perpetuity, with respect to all Confidential Information. The ownership of Confidential Information shall always belong to the Company. You agree to not claim or contest ownership rights on any Confidential Information.

12. Use of Third-Party Services

The Services may incorporate, integrate, or rely on software, applications, platforms, data sources, or other products and services provided by third parties ("Third-Party Services"). Certain features or functionalities of the Platform may involve the collection, exchange, retrieval, transmission, processing, or display of data through such Third-Party Services, or may generate outputs that are derived from or dependent upon them ("Third-Party Output").

Your use of any Third-Party Services or generation of Third-Party Output is subject to the separate terms, conditions, and policies governing such third-party providers. When You use these features or functionalities of the Platform which are provided through Third-Party Services, by using such features and functionalities You agree to comply with the terms and conditions governing such Third-Party Service providers. This does not make the Company a party to such terms and conditions, and the Company does not control, endorse, or assume any responsibility for any Third-Party Services or Third-Party Output, including their accuracy, availability, functionality, or security. The Company shall not be liable for any loss, damage, or harm arising from or relating to Your use of, reliance on, or inability to access any Third-Party Services or Third-Party Output.

You acknowledge and agree that the availability, performance, and functionalities of certain aspects of the Services may depend on the continued availability and proper functioning of such Third-Party Services, and the Company shall not be liable for any delays, interruptions, or failures caused by third-party providers.

The Platform may also contain links to third-party websites or services thereby enabling you to leave this Website and go directly to the linked site. These links are provided solely for Your convenience, and the Platform is not responsible for transmission received from any linked site. We do not control, endorse, or guarantee the availability, accuracy, security, or content of any such third-party websites, and the Company shall not be responsible for any loss, damage, or inconvenience arising from Your access to or use of these third-party links. By visiting these websites you would be deemed to be outside the Website and its channels. You agree to defend, indemnify and hold harmless the Platform from and against any claims, liabilities, damages, losses, costs and expenses, including

attorney's fees, caused by or arising out of claims based upon your actions or inactions, which may result in any loss or liability to the Platform by Your use of such third-party links.

13. Ownership of Intellectual Property Rights

These Terms of Use do not grant you any Intellectual Property license or rights in or to the Platform, its software or any of its components. All intellectual property rights, including but not limited to copyrights, trademarks, patents, trade secrets, know-how, AI models, templates, platform UI/UX, APIs, Usage Data, websites and any other proprietary information developed or used in connection with the Platform, shall be and remain the sole and exclusive property of the Company or its licensors. You acknowledge that the Platform is a proprietary platform and that you have no right, title, or interest in the Platform or any of its Services or underlying technology.

The Platform may (a) collect, track, store, analyze, and utilize data related to the use of the Platform; and (b) analyze User Data to enhance the capabilities, performance, marketing, sales, benchmarking studies, and development of the Platform and Services. Additionally, the Platform may aggregate such data from multiple users in de-identifiable form (collectively referred to as "Derivatives"). You acknowledge that these Derivatives, or any part thereof, shall always be the Intellectual Property of the Company. Without prejudice to the generality of the foregoing, to the extent that the User has any Intellectual Property Rights in the Derivatives, or any part thereof, the User hereby assigns in perpetuity and worldwide, without limitation, the Intellectual Property Rights exclusively in favor of the Company. The Platform will have the right to use the Derivatives for any business or commercial purpose during or after your association with the Platform.

You shall retain Intellectual Property Rights to the User Data uploaded to the Platform, to the extent as was available to You prior to Your sharing such User Data with the Platform. This shall not include the Platform Intellectual Property Rights. By using the Platform, You grant the Platform a non-exclusive, worldwide, royalty-free license and the right to collect, use, copy, store, transmit, modify, and create User Data as permitted in these Terms of Use and our Privacy Policy.

Your use of any information which is proprietary to the Platform shall only be accessed or used on individual devices or end-points without any right to redistribute, upload, export, copy or otherwise transfer the information to any centralized interdepartmental or shared device, directory, database or other repository nor to be made available to any other person, without the prior written consent of the Platform.

All software, algorithms, models, code, compilations, design, user interfaces, dashboards, features, workflows, training data, documentation, and other materials generated or provided by the Platform are and shall remain the exclusive property of the Company. The User shall not copy, adapt, reverse-engineer, distribute, sublicense, publish, or make available any Platform Intellectual Property without the prior written consent of the Company.

Any breach of this clause may constitute an infringement of copyright, trademark, patent, trade secret, or other proprietary rights and may subject the User to civil and/or criminal liability, in addition to suspension or termination of Account or access to the Platform.

14. Trial and Pricing Model

If you register for a trial and the Platform grants You a Trial Period, We will make one or more Services available to You on a trial basis until the earlier of (a) the end of the Trial Period granted by the Platform; or (b) the commencement of Your Subscription Plan. The duration and scope of the Trial Period shall be determined by the Platform at its discretion. Any Services used by the User during the trial period shall not be subject to any Subscription Plan, but shall be subject to Platform Fee (unless otherwise agreed to in writing by the Company), as may be applicable to the Services used. These Terms of Use apply to access and/or usage of the Services and/or the Platform during the Trial Period as well.

The Platform's fee structure is based on the subscription plan selected by the User. Pricing is not standardized or benchmarked to any market rate and may vary based on multiple commercial and operational factors, including, without limitation, the volume of work, frequency of usage, nature and type of business, usage intensity, and the complexity of workflows or integrations required. The Company shall, at its sole discretion, determine the applicable pricing based on its internal assessment of the User's requirements.

The User acknowledges and agrees that such pricing is reasonable, valid, and justified. All Subscription Fees are payable by the User in full at the commencement of each Subscription Plan and shall be non-refundable. In case your Account exceeds the permissible number of Services as per Your Subscription Plan, You shall be required to separately pay the Platform Fee to the extent of such additional Services used.

15. Security of Your Information

Our security measures include reasonable security practices which are appropriate to the Services offered by the Platform, including internal security controls which protect the Company's infrastructure from external attack and unauthorised access,

- internal policies setting out our data security methodology and training for employees in accordance with applicable laws.

(a) What You can do to help protect User Information and User Data:

The Platform will never ask You to confirm Your bank account or credit card authentication details via email. If You receive an email claiming to be from the Company asking You to do so, do not respond to the email and inform the Platform immediately.

If You are using a computing device in a public location, we recommend that you always log out and close the website browser when You complete an online session.

In addition, we recommend that You take the following security measures to enhance Your online safety, both in relation to the Services and generally:

- Keep your account passwords private. It is advised that you change your account password immediately upon any suspicion of or incident of unauthorised access.
- When creating a password, use at least 8 characters. A combination of letters and numbers is best. Do not use dictionary words, your name, email address, or other personal data that can be easily obtained.
- We also recommend that you periodically change your password – avoid using the same password for multiple online accounts.

(b) Treatment of Password Protected Files

You acknowledge and agree that certain files or User Data provided by Your respective Bank may be password protected. You agree to maintain the confidentiality of all passwords provided by the Bank and not share them with any unauthorised third-party. In order to avail certain Services of the Platform, You may be required to share protected files. You agree and acknowledge that You shall provide access to the Platform to view, download, analyse and process such protected files, to the extent required by the Platform to provide the Services.

If Your password is compromised or used by an unauthorised party, You shall be solely responsible for any resulting damages or losses. The Company shall not be liable for any damages or losses arising from unauthorised access to password-protected files.

16. Disclaimers: You agree, acknowledge and accept the following disclaimers made by the Company :
