Education

The Art Institute of Colorado / B.A. of Arts

Aug 2008 – Jun 2009 | Denver, CO

Northeastern Junior College / G.E.D.

Jun 2007 | Sterling, CO

Experience

KHM (Kyle Henry Media) / Freelance UI/UX & Brand Designer

Aug 2017 – Present | Remote

- Led digital product and web design projects across fintech, health, and eCommerce sectors. Designed mobile-first interfaces and component libraries using Figma and Adobe XD.
- Used AI tools like ChatGPT and Midjourney to enhance ideation, mockups, and social media content.
- Delivered full websites using Webflow, Shopify, and WordPress for scalable startup growth.
- Collaborated with developers, using Loom/Slack for async reviews and Trello for sprints.

Masimo / Digital Art Press Operator

Oct 2023 – Mar 2024 | Irvine, CA

- Optimized digital artwork files for medical device packaging, ensuring high-quality visual hierarchy, typography, and color accuracy.
- Collaborated with cross-functional teams to refine print layouts and user-facing label designs for improved readability and compliance.
- Operated digital printing systems, applying prepress and UI considerations to streamline production workflows.
- Conducted quality assurance checks, ensuring consistency in branding and user-focused packaging design within FDA-regulated environments.

First Team Real Estate / UI/UX & Graphic Designer

Nov 2022 – Mar 2023 | Irvine, CA

- Developed custom HTML/CSS Mailchimp campaigns, increasing open and click-through rates.
- Created responsive layouts and branded templates aligned with company growth goals.
- Worked across departments, including sales and dev, to ensure scalable design handoff.

Anetik / Brand Designer

Jul 2021 – Jun 2022 | San Clemente, CA

- Applied creative problem-solving and visual storytelling skills to turn complex design ideas into engaging, impactful content.
- Produced high-quality design assets that communicated the brand's values and enhanced product visibility.
- Align branding strategies with business goals.
