## Note 1 Accounting Policies

### REPORTING ENTITY

Teach Us Consent Global Limited (the 'Company') is limited by Guarantee, incorporated and domiciled in Australia. The Company's registered office is at VAUCLUSE NSW 2030.

The Company is a not-for-profit entity and is primarily involved in providing holistic consent education on social media and reached hundreds of thousands of people with our messages of consent and respectful relationships.

- we produced advertising campaigns promoting consent and respectful relationships.
- we engaged with government to give youth perspective on policies and legislation.

### BASIS OF PREPARATION

#### a) *Statement of compliance*

These financial statements are general purpose financial statements for distribution to the members and for the purpose of fulfilling the requirements of the *Australian Charities and Not-for-Profits Commission Act 2012*. They have been prepared in accordance with Australian Accounting Standards - Simplified Disclosures made by the Australian Accounting Standards Board and the *Australian Charities and Not-for-Profits Commission Act 2012*.

These financial statements were authorised for issue by the Board of Directors as of the date of the Directors Declaration.

#### b) *Basis of measurement*

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes.

#### c) *Functional and presentation currency*

These financial statements are presented in Australian dollars, which is the Company's functional currency.

#### d) *Use of judgements and estimates*

In preparing these financial statements, management has made judgements and estimates that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

#### i. **Judgement**

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:

- revenue recognition: whether revenue is recognised over time or at a point in time.

#### ii. **Assumptions and estimate uncertainties**

Information about assumptions and estimation uncertainties at 30 June 2025 that have a significant risk of resulting in a material adjustment to the carrying amounts of assets and liabilities in the next financial year is included in the following notes:

- measurement of ECL allowances for trade receivables and contract assets: determining loss rates;
- impairment test of intangible assets: key assumptions underlying recoverable amounts; and

# Notes to the Financial Statements

For the year ended 30 June 2025

---

- recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources.

## **MATERIAL ACCOUNTING POLICY INFORMATION**

### **REVENUE FROM CONTRACTS WITH CUSTOMERS**

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the company is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

## **FINANCIAL INSTRUMENTS**

### **a) Recognition and initial measurement**

Trade receivables are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset (unless it is a trade receivable without a significant financing component) or financial liability is initially measured at fair value plus, for an item not at fair value through profit or loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue. A trade receivable without a significant financing component is initially measured at the transaction price.

### **b) Classification and subsequent measurement**

#### **Financial assets**

On initial recognition, a financial asset is classified as measured at amortised cost or FVTPL.

Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets, in which case all affected financial assets are reclassified on the first day of the first reporting period following the change in the business model.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

# Notes to the Financial Statements

For the year ended 30 June 2025

---

## **MATERIAL ACCOUNTING POLICY INFORMATION continued**

All financial assets not classified as measured at amortised cost as described above are measured at FVTPL. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

### ***Financial assets – Subsequent measurement and gains and losses***

#### ***Financial assets at FVTPL***

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

#### ***Financial assets at amortised cost***

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

### ***Financial liabilities – Classification, subsequent measurement and gains and losses***

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

# Notes to the Financial Statements

For the year ended 30 June 2025

---

## **MATERIAL ACCOUNTING POLICY INFORMATION continued**

### **c) Derecognition**

#### ***Financial assets***

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset.

#### ***Financial liabilities***

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire. The Company also derecognises a financial liability when its terms are modified and the cash flows of the modified liability are substantially different, in which case a new financial liability based on the modified terms is recognised at fair value.

On derecognition of a financial liability, the difference between the carrying amount extinguished and the consideration paid (including any non-cash assets transferred or liabilities assumed) is recognised in profit or loss.

## **EMPLOYEE BENEFITS**

### **a) Short-term employee benefits**

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

## Report on the Audit of the Financial Report

### Opinion

We have audited the financial report of Teach Us Consent Global Limited (the Company) which comprises the statement of financial position as at 30 June 2025, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies, and the declaration by directors.

In our opinion, the accompanying financial report of the Company is in accordance with the with the Division 60 of the *Australian Charities and Not-For- Profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Company's financial position as at 30 June 2025 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards – Simplified Disclosures and the Division 60 of the *Australian Charities and Not-for-Profits Commission Regulations 2022*.

### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Responsibilities of the Directors for the Financial Report**

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during the audit.
